

# **DEENDAYAL PORT TRUST**

## **STORAGE POLICY**

The Storage Policy prevailing in DPT at present is as under:

**1. Demarcation of areas**

The space east of central road (the road leading from in front of Auction Yard and ending in front of Crane Section building) is exclusively for storage of cargo on transit terms (both covered and open storage areas) as this space comprises the wharf area and the adjoining areas are also required for smooth vessel working from operational point of view

The open areas other than the above are being allotted either on Transit or on Rental terms

**2. Godowns**

Godowns in the port area are primarily allotted on transit terms. However, in case if there is no demand, the same are be allotted on rental terms so as to ensure optimum utilization of the godowns and service to the trade. However, cargoes requiring covered accommodation are allowed only upto 30 days

Warehouse No.21-I and 25-II admeasuring 1485 sq. Mtrs. each are kept reserved for cargo to be auctioned by the port

**3. Open Plots**

All types of EXIM cargoes are eligible for storage in open area under Transit terms and avail free periods as per Scale of Rates

All types of import (bulk & break-bulk) cargoes are entitled for storage in open areas on Rental Terms subject to availability of space. However, imported timber logs are not eligible for storage on Rental terms.

4. The cargoes stored under Transit Terms are allowed to be shifted to rental area subject to availability of space and physical shifting of the same after payment of demurrage charges accrued till date of shifting.

5. The allotment of space inside port area is subject to availability and cargo on transit terms enjoy preference over those applying on Rental Terms.
