

DEENDAYAL PORT TRUST

VIGILANCE DEPARTMENT

NO: KPC/4049-Vig/ | 4 |

Date 08/07/2020

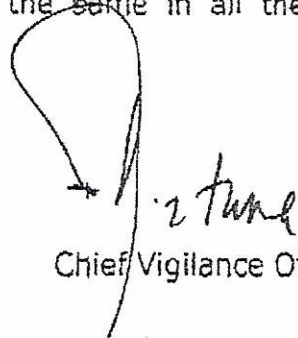

CIRCULAR NO. 39

Sub : Systematic Improvement in tender clauses.

The CTE-CVC, New Delhi, during their inspections, of one of the contract works awarded by one of the departments, has observed that the conditions for procurement of steel by the contractor for the contract works specifies use of steel either from primary or secondary producers.

Since, the provision of the above condition is not clear and ambiguous as well as the rate of the steel by primary producers and secondary producers may not be the same. Therefore, the CTE-CVC has advised to provide clear provision of steel reinforcement to be used in the contract work by the contractor in all future contracts.

Chief Engineer is therefore advised to take cognizance of CTE-CVC observation and ensure necessary compliance of the same in all the future tender works.

Chief Vigilance Officer

Chief Engineer
