- j. A certificate by the bidder that they have not been banned / black listed by anygovt. Agency.
- k. Power of attorney (dully accompanied by resolution of Board in case of company).
- l. Qualifications and experience of key site management and technical personnel proposed for the contract.
- m. The proposed methodology and program of work, backed with equipment planning and deployment, duly supported with broad calculations and quality control procedures proposed to be adopted justifying their capability of execution and completion of the work as per technical specifications within the stipulated period of completion as per milestones **(Not Applicable)**.
- n. The completion certification should invariably mention the reference no. of work order, the date of completion and amount of work done.
- o. The copy of the work order should also be submitted for which the bidder is submitting completion certificate.
- p. In case the similar work has been executed for any private body, the bidder will be required to produce the tax deducted at source (TDS) certificate indicating the income tax deducted by the client for that work, which will form the basis for assessing the value of completed work
- q. Bidders should give an undertaking letter duly stating that the documents submitted by them in support of their credentials are genuine and DPA is at liberty to take any action against the bidder if the said documents are found to be non-genuine.
- r. Bidders should give an undertaking that they will comply to the specifications of the work including terms and conditions in total without any deviation.
- s. At the time of submission of tender document, the bidder shall give an undertaking that no changes have been made in the document.

4.3 Even though the bidder meets the above qualifying criteria, they are subject to be disqualified if they have:

- Made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements: and/or
- Record of poor performance such as abandoning the works, non – completion of the contract.

5. One Bid per Bidder

- 5.1 Each bidder shall submit only one bid. A bidder who submits more than one Bid will cause all the proposals with the Bidder's participation to be disqualified and forfeiture of EMD.

6. Joint Venture (-Not Applicable as per Clause No. 12 of Section-III-)

In case of association in the form of consortium or joint venture agreement, the members of the association shall nominate one of the members as "lead partner" for participating in the tender and signing all the documents related therewith up to signing of agreement and execution of all the contractual obligations thereafter (in case of award of contract). All the partners of the association must also, jointly and severally, be responsible for satisfactory execution and performance of the contract. The contractors with at least 26% equity holding each shall be allowed to jointly meet the eligibility criteria.

7. Cost of Bidding

- 7.1 The Bidder shall bear all costs associated with the preparation and submission of its Bid and employer will in no case be responsible and liable for those costs regardless of the conduct or outcome of the bidding process.

8. Site Visit

- 8.1 The Bidder, at his own responsibility and risk is encouraged to visit and examine the site of work and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for the works. The costs of visiting the site shall be at the Bidders' own expense.

B. Bidding Documents

9 Content of Bidding Documents

- 9.1 The set of bidding documents comprises the documents listed in the below and addenda issued in accordance with clause-9:

Bid Reference No. MS/WK/4049-Pt.I

- **NIT** : **Invitation for Bids**
- **Section I** : **Instruction to Bidders**
- **Section II** : **General Conditions of Contract**
- **Section III** : **Special Conditions of Contract**
- **Section IV** : **Forms of Bid**
- **Section V** : **Scope of Work**
- **Section VI** : **Bill of Quantities**
- **Section VII** : **Drawings**

- 9.2 The bidding documents shall be downloaded. The documents should be completely filled and submitted through on line E – Tendering process.

-
- 9.3 The bidder is expected to examine carefully all instructions, conditions of contract, forms, terms, technical specifications, bill of quantities, in the bid document. Failure to comply with the requirements of the bid document shall be at the bidder's own risk. Bids which are not substantially responsive to the requirements of the tender documents shall be rejected.

10. Clarifications of the Bidding Documents.

- 10.1 A prospective bidder requiring any clarification of the bidding documents may notify the employer in writing. The employer may respond to any request for clarification which are received within seven days prior to date of pre-bid meeting. The clarifications shall be uploaded on Website <https://kpt.nprocure.com> and www.deendayalport.gov.in.

10.2 Pre-Bid meeting (-Not Applicable as per Clause No. 12 of Section-III -)

- 1) The bidder or his official representative may attend pre-bid meeting to be held at Chamber of CME on xx.xx.2023 at 1500 hrs. The bidders/representative of bidders who wish to attend the Pre-Bid meeting shall furnish the authority letter on the letter head of Bidder, for attending the Pre-Bid Meeting on behalf of bidder at the time of Pre-Bid Meeting. The bidders shall submit their queries in the tender on or before the pre-bid meeting date.
- 2) The purpose of the meeting will be to clarify issues related to work and tender conditions.
- 3) Pre – Bid clarifications will be uploaded in <https://kpt.nprocure.com> or www.deendayalport.gov.in website without disclosing source of enquiry.
- 4) Non-attendance at the pre-bid meeting will not be a cause for disqualification of a bidder.
- 5) At any time prior to the deadline for submission of Bids, employer may, for any reason, whether at its own initiative or in response to a clarification sought by any prospective bidder, modify the bidding documents by amendment / addendum.
- 6) Those bidders who download the tender document from the website shall be solely responsible to check the web site for the amendment issued in shape of Corrigendum and/or Addendum.

11. Language of Bid

All documents relating to the bid shall be in the English language.

12. Documents comprising the Bid

The bid submitted by the bidder shall comprise the following:

A) Preliminary Bid:

Email :- cmedpt@gmail.com
mechprojects.dpt@gmail.com

b) Bear the following identification:

Accompaniments for **"Supply, installation, testing and commissioning of essential & integral components for the installed 02 nos. PSA oxygen units of 1000 LPM capacity each at Sir T Hospital Bhavnagar"** donated by **Deendayal Port Authority (DPA), under CSR scheme" Bid reference No.MS/WK/4049 Pt-I**

Name and address of the bidder.

21. Deadline of Submission of the Bids

- 21.1 Bids must be received by the employer in On-Line System at websites <https://kpt.nprocure.com> not later than 08.08.2023 up to 1430 hrs.
- 21.2 At the time of submission of the tender document, the Bidder shall give an undertaking that no changes have been made in document. The uploaded version of the Port Tender Document at <https://kpt.nprocure.com> websites will be treated as authentic tender and if any discrepancy is noticed at any stage between the Port's tender document and the one submitted by the Bidder, the conditions mentioned in the Port's uploaded document on <https://kpt.nprocure.com> websites shall prevail.
- 21.3 The employer may extend the deadline for submission of bids by issuing an amendment on DPA website as well as on <https://kpt.nprocure.com> in which case all rights and obligations of the employer and the bidders previously subject to the original deadline will then be subject to the new deadline.
- 21.4 In case of tender documents being downloaded from the web site, at the time of submission of (the hard copy of) the tender document, the tenderer shall give an undertaking that no change has been made in document. Any discrepancy is noticed at any stage between the port's tender document uploaded on <https://kpt.nprocure.com> and the one submitted by the Tenderer, the conditions mentioned in the port's tender document uploaded on <https://kpt.nprocure.com> shall prevail. Besides, the Tenderer shall be liable for legal action for the lapses.

22. Late Bids

- 22.1 After the deadline of submission of bid, the bids cannot be submitted in the On-Line System.

23. Modification and Withdrawal of Bids

- 23.1 Bidders may modify or withdraw their bids before the deadline of submission of bid or extension if any.
- 23.2 No Bid can be modified after the last date for submission of Bids.
- 23.3 Withdrawal or modification of a Bid between the deadline for submission of bids and the expiration of the original period of bid validity including extension, if any. The bidder can be disqualified from the bidding process of DPA for a period of 03 years, may result in the forfeiture of Bid security i.e. EMD.

E. Bid Opening and Evaluation

24. Bid Opening

- 24.1 On the due date and time, the employer will first open Technical bids of all bids received including modifications.
- 24.2 In the event of the specified date for Bid opening being declared a holiday by the employer, the Bids will be opened at the appointed time on the next working day at the same time.
- 24.3 If any Bid contains any deviation from the Bid documents and / or if the same does not contain Bid security i.e., E.M.D. fees and tender fees in the manner prescribed in the Bid documents, then that Bid will be rejected and the Bidder will be informed accordingly.
- 24.4 The bids which are technically qualified, their financial bids will be opened. The date of opening of financial bid will be declared in the <https://kpt.nprocure.com> and www.deendayalport.gov.in .
- 24.5 The price bid i.e., BOQ will be opened only those bids qualify technically.

25. Clarification of Bids

- 25.1 To assist in the examination and comparison of Bids, the employer may, at his discretion, ask any Bidder for clarification of his Bid, including breakup of unit rates. The request for clarification and the response shall be in writing, but no change in the price of substance of the Bid shall be sought, offered, or permitted.
- 25.2 No Bidder shall contact the employer on any matter relating to his bid from the time of the bid opening to the time the contract is awarded.
- 25.3 Any effort by the Bidder to influence the employer's bid evaluation, bid comparison or contract award decisions, may result in the rejection of his bid.

26. Examination of Bids and Determination of Responsiveness

- 26.1 Prior to detailed evaluation of Bids, the employer will determine whether each Bid
 - (a) has been properly digitally signed,
 - (b) meets the eligibility criteria defined
 - (c) is accompanied by the required E.M.D fees and tender fees;
 - (d) is responsive to the requirements of the Bidding documents.
 - (e) GST number to be quoted invariably by the bidder.
- 26.2 A substantially responsive Technical and Financial Bid is one which conforms to all

the terms, conditions and specification of the Bidding documents.

- 26.3 If a Technical Bid is not substantially responsive, it will be rejected by the employer, and may not subsequently be made responsive by correction or withdrawal of the non-confirming deviation or reservation.

27. Evaluation and Comparison of Bids

- 27.1 The employer will evaluate and compare only the Bids determined to be responsive.
- 27.2 In evaluating the Bids, the employer will determine for each Bid the evaluated Bid price by adjusting discounts, if any.
- 27.3 If in the opinion of Engineer in Charge, the rate quoted by successful bidder is abnormally high/low compared to the estimated cost of the work, the employer may ask the bidder to produce detailed price analysis for all items of the bill of quantities.

F. Award of Contract

28. Award Criteria

The employer will award the work to the bidder whose bid has been evaluated to be techno – commercially responsive and the lowest evaluated total amount of BOQ subject to submission of agreement and performance security.

The employer, if so required, reserves the right to:

- a) split the work and award the work in favour of more than one contractor,
- b) award the work separately as supply, execution, Operation & Maintenance/Operation/Maintenance as applicable.

29. Employer's Right to accept any Bid and to reject any or all.

The employer reserves the right to accept or reject any bid and to cancel the bidding process and reject all bids without assigning any reasons, at any time prior to the award of contract, without thereby incurring and liability to the affected bidder or bidders of the grounds for Employer's action.

30. Letter of Acceptance:

The Chief Mechanical Engineer will issue the Letter of Acceptance (Form No.7) intimating the successful bidder about the proposed pre-acceptance of tender.

31. Notification of Award and Signing of Agreement

- i) The Bidder whose Bid has been accepted will be notified for the award by the employer prior to expiration of the Bid validity period by confirmation in writing. In this letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") the contract amount, completion period of the work,

etc. will be mentioned in line with the tender conditions.

- ii) The notification of award will constitute the formation of the Contract subject to the furnishing of a performance security in accordance with the provisions of tender condition.
- iii) The Agreement will be submitted by successful Bidder within 14 days (National Bid) 28 days (Global Bid) of issue of the notification of award (Letter of Acceptance). The agreement will incorporate all correspondence between the employer and the successful bidder.

32. Contract Agreement:

32.1 The agreement on stamp paper shall be furnished by the Contractor as per the following guidelines within 14 days (National Bid) 28 days (Global Bid) from the date of issue of Letter of Acceptance.

- i) The successful Bidder will be required to execute an agreement at his expense on Three Hundred Rupees (Rs.300/-) Non-Judicial Stamp Paper in the proper departmental format (Form 11) for the due and proper fulfillment of the contract within 14 days (National Bid) 28 days (Global Bid) from the date of Letter of Acceptance.

32.2 Pending preparation and execution of the contract agreement as above, the tender submitted by the Contractor together with Chief Mechanical Engineer's letter /fax accepting the tender shall constitute a binding contract between the Board and the Contractor.

32.3. The contract period shall be reckoned from the date of issue of Work-order to commence the work. Party has to submit the followings after issue of LOA as:

- i) The original agreement as per the format attached with the tender should be executed on a stamp paper of appropriate value (at present Rs.300/-)
- ii) The Agreement should be submitted in duplicate and the date of execution is to be kept blank.
- iii) Each page of the document is to be signed by the Contractor/ his authorized representative by indicating his full name.
- iv) If the Contractor is a partnership contractor, then a copy of the Partnership Deed and in case it is a Company, a copy of Memorandum and Articles of Association along with Registration Certificate is to be submitted.
- v) If the agreement is signed by a Partner/ a Director/ an authorized person of the contractor, in such case, a certified true copy of the power of attorney/ letter of authority given by the contractor/ company to the signatory of the contractor is to be submitted.
- vi) The entire agreement should be in type written form/ computer printed form.
- vii) Leaving blanks and insertion of some contents of the agreement with hand writing should be avoided.
- viii) All corrections/ additions made in the agreement are to be initialed.

33. Performance Security

Security deposit shall consist of two parts; a) Performance Guarantee to be submitted after issue of LOA, and b) Retention money to be recovered from Running Bills.

- 33.1 Performance Guarantee shall be 10% of the contract price, of which 5% of contract price should be submitted as Performance Guarantee in form of FDR/DD/BG, within 21 days issued from Nationalized/ Scheduled bank (except co-operative banks), having its branch at Gandhidham, on receipt of Letter of Award and balance 5% to be recovered as Retention Money from Running Bills. Recovery of 5% Retention Money to commence from the First RA Bill onwards @ 5% of the Bill Value from each Bill. Retention Money will be refunded within 14 days from the date of payment of final bill. Balance SD will be refunded immediately not later than 14 days from completion of warranty i.e., defect liability period.
- 33.2 Successful Bidder has to submit the Performance security @ 5% of Contract price within 21 days of receipt of Letter of Award (LOA), failing which the work will not be awarded and the Bid Security i.e., EMD will be forfeited.
- 33.3 The Port Authority will also be at liberty to deduct from performance guarantee or from any sums of money due or that may become due under any contract with the contractor that may become due to the employer. This is without prejudice to the rights of the employer under the terms of the contract. The Bank Guarantee is required to be dispatched by the issuing bank directly to The Employer by Registered AD Post.
- 33.4 Failure of the Successful Bidder to comply with the requirements as mentioned above shall constitute sufficient grounds for cancellation of the award of work and forfeiture of bid security i.e. EMD.
- 33.5 The Bank Guarantee is required to be dispatched by the issuing bank directly to The Employer by Registered AD Post.
- 33.6 Performance Guarantee cum security deposit will be accepted in the form of FDR/DD/BG from any nationalized bank / scheduled bank (except Co-operative Bank) having is branch at Gandhidham.
- 33.7 The Port Authority may at their option forfeit the Performance Guarantee cum Security Deposit if the contractor fails to carry out the work or perform or observe the conditions of contract.
- 33.8 In case of submission of fraudulent documents with regard to Bank Guarantee against Performance Security by the Bidder shall be treated as major violation of the Tender procedure and in such cases, Black listing the contractor for the next three years.
- 33.9 The Performance Guarantee cum Security Deposit will be released as mentioned in Clause 33.1 above.
- 33.10 If applicable, the documentary evidence (copy of paid Challan in Govt. Treasury) of Welfare cess @1% of work done or as amended by Statutory Authority from

time to time, paid on final bill shall be submitted before releasing the Performance Guarantee

34. Issue of Work Order

Work order will be issued indicating the Contract value, completion period etc. after submission of Performance Security Deposit and Contract Agreement on Non-Judicial Stamp Paper by the successful bidder as per Tender Conditions.

35. Time Schedule

The Contract shall be effective from the date of issue of Work-Order and the work shall be completed within specified completion period of 60 days.

36. Corrupt or Fraudulent Practices

- 36.1 The employer requires that Bidders/Suppliers/Contractors under this contract, observe the highest standard of ethics during the procurement and execution of this contract. In pursuance of this policy, the employer:
- (a) defines the following for the purpose of these provisions:
 - (i) "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the employer, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the employer of the benefits of free and open competition.
 - (b) will reject a proposal for award of work if he determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
 - (c) Will declare a Bidder ineligible, either indefinitely for a stated period of time, to be awarded a contract/contracts if he at any time determines that the Bidder has engaged in corrupt or fraudulent practices in competing for or in executing, the contract.

Deendayal Port Authority

SECTION – II

GENERAL CONDITIONS OF CONTRACT

GENERAL CONDITIONS

1. Definitions

In the Contract (as hereinafter defined) the definition of the following words and expressions shall have the meanings hereby assigned to them except where the context otherwise requires:

- a. **"Employer"** means Board of Authorities of Deendayal Port, a body corporate under the Major Port Authorities Act 2021, by notification issued by the Government of India, acting through its Chairman, Dy. Chairman or Chief Mechanical Engineer or any other officers so nominated by the Board.
- b. **"Contractor"** means the person or persons, contractor, corporation or company whose tender has been accepted by the employer and includes the Contractor's servants, agents and workers, personal representatives, successors and permitted assigns.
- c. **"Contract"** means and includes Tender Documents, Instructions to Bidders, General Conditions of Contract, Drawings, Specifications, and Schedules etc., any amendments thereto, Bid, Letter of Acceptance, Contract Agreement and the work order.
- d. **"Contract Price"** means the total sum of money to be paid by the employer to the contractor on timely completion of the contract work as per Contract including payment for extra work, i.e. as per defined and applicable items of the terms of payment, including any taxes and excise duties to be paid to state or central Government, except GST.
- e. **"Specifications"** means the specification referred to in the tender documents and any modifications thereof or additions thereto or amendments thereto as may be from time to time be furnished or approved in writing by the employer.
- f. **"Chief Mechanical Engineer"** shall mean the Chief Mechanical Engineer of Deendayal Port Authority.
- g. **"Work" or "Works"** shall mean the whole of the plant and materials to be provided and work to be done executed or carried out by the contractor under the contract.
- h. The **"Site"** shall mean the whole of the premises, buildings and grounds in or upon which the system or works is or are to be provided, executed, erected, done or carried out.
- i. The **"Schedule"** shall mean the schedule or Schedules attached to the specifications.

-
- j. The **"Drawings"** shall mean the drawings, issued with the specification which will ordinarily be identified by being signed by the Chief Mechanical Engineer and any further drawing submitted by the contractor with his tender and duly signed by him and accepted or approved by the Chief Mechanical Engineer and all other drawings supplied or furnished by the contractors or by the Chief Mechanical Engineer in accordance with these contract conditions.
 - k. **"Trials" and "Tests"** shall mean such trials and tests as are provided for in these conditions of contract and described in the specification and shall include all other tests to be carried out as per the requirement of the 'employer'.
 - l. **"Approved" or "Approval"** shall mean approval in writing.
 - m. **"Engineer-in-charge/Nodal officer"** shall mean any officer/Engineer authorized by Chief Mechanical Engineer for purpose of this contract.
 - n. **"Day"** means calendar days, **"months"** are calendar months
 - o. **"Equipment"** is the contractor's machinery and vehicles brought temporarily to the site to construct the works.
 - p. **"Material"** is all supplies, including consumables, used by the contractor for incorporation in the works.
 - q. **"Plant"** is any integral part of the works which is to have mechanical, electrical, electronic or chemical or biological function.

2.0 Use of Contract Document:

The Contractor shall not, without prior consent, make use of any document except for the purpose of performing this contract.

3.0 Change Orders:

At any time during the execution of the contract, by a written notice to the Contractor, changes may be made in the general scope of contract. The Engineer In-charge (EIC), with due approval of competent authority, may make any changes in the quality and/or quantity of the work or any part thereof that may, in his opinion, be necessary and for that purpose the Engineer In-charge shall have the power to order the Contractor to do and the Contractor shall do any of the following:

- a. Increase or decrease or split the quantity of work included in the contract,
- b. Omit any such work,
- c. Change the character, quality or kind of any such work,
- d. Change the dimensions of any such work,

e. Change in Location

- f. Execute additional work of any kind necessary for completion of the work under the contract, and no such change shall in any way vitiate or invalidate the contract but the cost, if any, arising out of all such changes shall be taken into account in ascertaining the total amount of the contract price. Where the rate is available in the contract and the same is applicable to the additional work, in the opinion of the EIC, the cost of the additional work shall be determined as per this available rate. But, if the rate for additional work is not available in the contract, the same shall be determined by the EIC taking into account the market rate and labour cost at the site for similar works and shall be final.
- g. Deviations from the specifications as contained in the tender agreement including the make / model, shall not be accepted. In case of any such deviation, payment shall not be made for that part of the work / item, even if it is meeting the functional requirements and has been accepted by the purchaser. The payment for such portion of the work / item can only be released if the contractor makes good the deviations before the expiry of the warranty period so as to meet the specifications of the tender agreement in all respects.

4.0 Resolution of Dispute

- a) The Board and the Contractor shall make every effort to resolve amicably by direct informal negotiations, any disagreement or dispute arising between them in connection with the contract. However, in case of failure of negotiation between the Board and the Contractor, the parties shall refer their present and future disputes relating to the contract itself or arising out of or concerning or in connection with or in consequence of the contract to the Chairman, DPA whose decision shall be final and binding on both the parties. The contract shall be governed by the Indian Contract Act, 1872.
- b) Jurisdiction of Courts: All such disputes, which could not be settled at the intervention of Chairman, DPA, shall be subjected to the jurisdiction of the courts at Gandhidham.

5.0 Force Majeure:

- 5.1** In the event that the Contractor is delayed in performing its obligations in the contract, and such delay is caused by force majeure including war, civil resurrection, strikes (other than the strike solely by the Contractor's men), fire, flood, epidemics, earthquakes, extremely adverse climatic conditions, such delay may be excused and the period of such delay may be added to the time of performance of the obligations without any addition to the contract price.
- 5.2** If a force majeure situation arises, the Contractor shall promptly notify the Board in writing of such condition and the cause thereof, **but not later than 7 days from its occurrence**. Unless otherwise directed by the Board in writing, the Contractor

shall continue to perform its obligations under the contract as far as reasonably practicable. The Contractor shall demonstrate to the Board's satisfaction that it has used its best endeavor to avoid or overcome such causes of delay and the parties will mutually agree upon remedies to mitigate or overcome such causes of delay without having any right to any claim on account of such force majeure.

- 5.3** In any other situation, which is beyond the reasonable control of the Contractor in the opinion of the Engineer In-charge, and where the Contractor has promptly notified the Board in writing about such situation, it may be considered as "Force Majeure" situation.

6.0 Compliance with Statutes, Regulations:

The Contractor shall comply in all respects, with all statutes and regulations as may be necessary, including clearance from State/Central govt. authorities, Pollution Control Boards, labour enforcement and local authorities. The Contractor shall, at all times during the continuance of the contract, so far as it may be necessary, comply with all the existing enactments including Central and State legislation as well as any by-laws of any local authorities regarding labour, particularly the Minimum wages Act, Factories Act, Workmen's Compensation Act, Employees' Provident Fund and Family Pension Fund Act, Employees' State Insurance Act, Contract Labour (Regulation and Abolition) Act, Payment of Wages Act, Maternity Benefit Act, National and Festival Holidays Act, Shop and Establishment Act, The Apprentice Act and keep DPA indemnified against any loss or claim arising out of contravention of the provisions of the above said enactments by the Contractor. The price quoted by the Contractor in the Bill of Quantity shall be deemed to include all expenses whatsoever the Contractor may be required to incur for the compliance with the provisions of the above said legislation. The Contractor shall make necessary arrangements for DPA to witness the payment made by the Contractor to his staff and labour.

7.0 Payment Terms: (Modified as per Clause No. 4 of Section – III)

All payments shall be made in Indian rupees unless specifically mentioned.
95% monthly payment in respect of item executed/ supplied will be released after deducting 5% as retention money towards performance security.

NOTE:

The payment shall be made through RTGS /NEFT and the Contractor should be furnished following details: -

Bank Payment Agreement Form

- a. Name of Party
- b. Account No.
- c. Branch Name
- d. Branch Station
- e. IFSC code of the bank

-
- f. MICR code
g. Accepted for : -NEFT payment or RTGS payment
Declaration by the party

I/We hereby declare that the above information furnished by me is correct and DPA is requested to pay my / our dues to this account for this work is concerned.

Signature of the party with the seal

Declaration by the bank

It is hereby informed that the details mentioned by the party is correct as per our records and any payment made by DPA to this account will be accepted either by RTGS/NEFT.

Signature of the bank manager with the seal.

8.0 Insurance (superseded as per Clause no. 2 of Section-III):

8.1 The contractor shall provide in the joint names of the employer and the contractor, insurance cover from the start date to the end of guarantee period for the following events which are due to the contractor risk:

- a) loss of or damage to the works, plan and materials.
- b) loss of or damage to equipment.
- c) loss of or damage of property (except the works, plant, materials and equipment) in connection with contract, and
- d) personal injury or death

8.2 Policies and certificates for insurance shall be delivered by the contractor to the engineer in charge or his nominee before the commencement of work. All such insurances shall provide for compensation to be payable to the types and proportions of currencies required to be rectify the loss or damage incurred.

8.3 Alterations to the terms of insurance shall not be made without the approval of the engineer in charge or his nominee,

8.4 All the materials shall stand insured from the time of arrival at site till commencement of erection against fire, pilferage, damage and against natural calamities for the value of 90% of each item.

8.5 During erection and till the work is completed and satisfactory taken over by the D.P.A after testing the materials shall stand covered by suitable erection insurance also for the value of 110% of the item. The charges for the insurance shall be borne by the Contractor.

9.0 Time Extensions:

The Contractor may claim extension of the time limits in case of;

- i) Changes ordered by Deendayal Port Authority.
- ii) In case work is delayed on DPA's Account e.g. due to delay in approval of drawings, non-availability of site clearance or any other reason, DPA will consider time extension of merit. However, no compensation will be paid to the Contractor if work is delayed on DPA's account. The Contractor shall submit the request for extension, within 30 days of occurrence of such delay in the prescribed format, clearly indicating the justification for such extension.
- iii) Force Majeure.
- iv) All the incidents of delay should be entered in the hindrance register which will be base for granting any extension.

10.0 Time is the essence of the contract:

Time is the essence of the contract and the Contractor shall ensure that all the obligations under the contract are completed within the agreed time schedule. The Contractor shall be solely responsible for all the delays including the delays caused by its vendors. In case of delay in progress of the works, Deendayal Port Authority reserves the right to withhold the payment, cancel the contract unilaterally or complete the work departmentally.

11.0 Liquidated Damages (Superseded as per Clause No. 8 of Section-III):

- 11.1** In case of delay in completion of the contract, liquidated damages (LD) may be levied at the rate of 1/2% of the contract value per week of delay or part thereof, subject to maximum of 10% of the contract price.
- 11.2** The employer, if satisfied that the works can be completed by the Agency within a reasonable time after the specified time for completion may allow further extension of time at its discretion with or without the levy of LD. In the event of extension of time at its discretion with LD the employer will be entitled without prejudice to any other right or remedy available in that behalf per cent (1/2%) of the contract value of the works for each week or part of the week subject to the ceiling of 10% of contract value.
- 11.3** The employer, if not satisfied that the works can be completed by the contract, and in the event of failure on the part of the Agency to complete work within further extension of time allowed as aforesaid shall be entitled without prejudice to any other right or remedy available in that behalf to rescind the contract.
- 11.4** The employer, if not satisfied with the progress of the contract and in the event of failure of the Agency to recoup the delays in the mutually agreed time frame, shall be entitled to terminate the contract.
- 11.5** In the event of such termination of the contract as described in clauses (11.3) or 11.4) or both, the employer shall be entitled to recover LD up to ten percent (10%)

of the contract value and forfeit the security deposit made by the contract besides getting the work completed by other means at the risk and cost of the contractor.

- 11.6** In case part / portion of the work can be commissioned and part operates the portion for commercial purpose, the rate of LD will be restricted to the uncompleted value of work, the maximum LD being on the entire contract value.

12.0 Variations:

12.1 Variation in Conditions of Contract:

In case of any variation in Instructions to Bidders (ITB), General Conditions of Contract (GCC) and the Special Conditions of Contract – if any special conditions of contract shall prevail. But in case of any requirement/condition specified in the Scope of Work, it shall prevail over all other conditions.

12.2 Variation in Quantities of Schedule – B

The overall as well as individual variations shall be $\pm 30\%$ in quantity for which the rate quoted by the bidder and accepted by the employer shall be applicable.

13.0 Acceptance

Upon completion of work under this contract, the Board may accept the works and/or services after installation, if defects or shortcomings are not considered essential and, the Contractor agrees to make good the deficiencies in confirmation with this contract. No work shall be accepted before the Contractor clears the site of scraps, unused materials, work shed, equipment and all such materials which were used for execution of the work and not required any more at the work site. Also, the Contractor has to submit all the documents and final “as built” drawings as per the contract agreement without which no work shall be treated as complete.

Completion Certificate shall be issued by the employer after satisfactory completion of work as per tender and after taking trial.

14.0 Guarantee (Superseded as per Cl. NO. 14 of Sec-III):

- 14.1** The warranty/guarantee period shall be valid up to six/ twelve months (6 months for repairs and 12 months for new works including supplied items) with effect from the date of acceptance of the work and/or services, unless otherwise specified in the scope of work/Special Conditions of Contract (SCC).
- 14.2** The Contractor shall warrant the Board that the goods and services under this contract will comply strictly with the contract, shall be first class in every particular case and, shall be free from defects. The Contractor shall further warrant the Board that all materials, equipment and the supplies furnished by him will be new and fit for their intended purposes.

14.3 The Board shall promptly notify the Contractor in writing of any claim arising under this Warranty. Upon receipt of such notice, the Contractor shall promptly repair or replace the defective goods and/or services at no cost to the Board.

14.4 If the Contractor, having been notified, fails to rectify the defects in accordance with the contract, the Board may proceed to take such remedial action as may be necessary, at the Contractor's risk and cost.

15.0 Taxes

GST:

The bidder shall quote the price exclusive of GST. Applicable GST on the taxable value of supply of Goods or Services or both covered in this tender/contract will be paid by Port on production of required document as per prevailing rules as per Goods & Service Tax Act, 2017. All other duties, taxes, cesses applicable, if any, shall be borne by the bidder. Applicable Statutory recoveries including TDS under Income Tax, TDS under GST acts will be deducted/ recovered while accounting for or making payments to the bidder as per the applicable laws.

Contractor / Service provider / Supplier etc. has to ensure timely and proper filling of GSTR 1 so that Deendayal Port Authority can avail input tax credit in timely manner. In case DPA not allowed input tax credit due to failure on part of the contractor/Service provider/Supplier etc., it will be a financial loss to the DPA and therefore same shall be recovered from the payment/deposit of the contractor/service provider/supplier.

Deduction of Income-Tax:

Income-Tax deductions and surcharge as applicable thereon shall be made good while making payments due to the contractor for carrying out the work and only net amount shall be paid as directed by the Central Board of Direct Taxes, Ministry of Finance, Government of India.

Rate &Tax:

The rates quoted by the contractor shall be deemed to be inclusive of the excise, other taxes, duties etc., but exclusive of the GST (CGST & SGST), which the contractor will have to pay for the performance of the contract. The employer will perform such duties in regard to the deduction of such taxes at sources as per applicable law.

16.0 Deduction:

16.1 Deduction of taxes/income tax at source shall be made from the any bill of the Contractor in accordance with the prevailing rules of Govt.

16.2 While performing under the contract, the damages caused by the Contractor or his workers to any of the Port Authority property shall be promptly made good by the Contractor at his own cost. In case the Contractor fails to repair/replace the damage, Deendayal Port Authority shall have the right to take steps to make good the

damages and all the cost on this account shall be recovered from the bills of the Contractor or any money due to the Contractor from this contract or any other contract or any other transaction. In determination of the damage, the opinion of the Engineer-In-charge (EIC) shall be conclusive.

16.3 Any dues arising out of failure on the part of the Contractor to carry out any obligation under the contract shall be deducted from the bills of the Contractor or from any money due to the Contractor from this contract or any other contract.

16.4 (- Deleted -) **(-Not Applicable as per Clause No. 12 of Section-III-)**

17.0 Subcontracts:

The Contractor shall not be allowed to engage any sub-contract for all or any part of this contract.

18.0 Idle Charges:

All efforts shall be made for timely supply of materials and/or equipment where it is included in the scope of Deendayal Port. However, the Contractor shall not be entitled to any idle charges for delay in supply of materials and/or equipment by the Port Authority. Further, in case of any delay due to stoppage of work ordered by the Port Authority to avoid interruption in other important activities of Port Authority or any other reason, the Contractor shall not claim any idle charges.

19.0 Personal Protective Equipment (PPE):

The Contractor shall be solely responsible, at his own cost, for the supply of required PPE to his workers and staff and he shall also ensure the use of PPE such as helmets, nose masks, hand gloves etc. by his staff at site.

20.0 Conduct:

The Contractor, at all times during the tenure of contract, shall take all measures to prevent any unlawful, riotous or disorderly conduct by or amongst his staff at the site and for the preservation of peace and protection of persons and property at the work site as well as in the enactment of the works.

21.0 Accident:

The Contractor shall, within 24 hours of the occurrence of any accident, at or about the work site or in connection with execution of the contract, report such accidents to the Engineer-In-Charge giving all the details in writing. He shall also provide additional information about the accident as requested by the E-I-C.

22.0 Watch and ward:

During the execution of the contract, it shall be the responsibility of the Contractor to arrange watch and ward of the work including the raw materials, machine/equipment/system used for the work at his own cost till the date of acceptance of the work by Deendayal Port Authority.

23.0 Termination:

23.1 The Board may, without any prejudice to any other remedy for breach of contract, by written notice of default sent to the Contractor, terminate the contract in whole or in part:

(i) if the Contractor fails to execute the work within the period as specified in the contract or any extension granted by the Board;

(ii) if the Contractor fails to perform any other obligation under the contract and if the contractor does not cure the same after receipt of a notice of default, the nature of default as well as the time within which the default has to be cured by the Contractor.

23.2 In the event of Board's termination of the contract in whole or in part, the Board may execute the remaining work or procure goods similar to those undelivered by the Contractor and the Contractor shall remain liable to the Board for any excess cost for such works or goods and risks, if any.

23.3 The Board will pay the Contractor, for all the items that are completed, and ready for delivery, within 30 days after termination. The payment shall be made only after all the afore-mentioned goods are supplied to and accepted by Deendayal Port Authority. The amount so decided by the Engineer-in-Charge in this regard shall be final and binding.

23.4 In case of termination of contract for default by the Contractor, the Board may not permit the Contractor to participate in any of the future tender of Deendayal Port Authority for a period decided by DPA.

23.5 The employer may terminate the contract if Contractor causes a fundamental breach of the contract.

23.6 Fundamental breaches of contract include, but shall not be limited to the following:
a) The contractor stops work for 28 days and the stoppage has not been authorized by the Engineer-in-Charge or his nominee.

b) The contractor becomes bankrupt.

c) The contractor has delayed the completion of works by the number of days for which the maximum amount of liquidated damages can be paid as defined in the contract data and

d) If the contractor, in the judgment of the employer has engaged in corrupt or fraudulent practices in competing for or in the executing the contract.

-
- e) For the purpose of this paragraph: "corrupt practice" means the offering, giving receiving or soliciting of anything of value to influence the action or public officials in the procurement process or in contract execution. "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the employer, and includes collusive practice. Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the employer of the benefits of free and open competition".
 - f) If the contract is terminated the Contractor shall stop work immediately, make the site safe and secure and leave the site as soon as reasonably possible.
 - g) Any material lying at site will not be removed without the prior written permission of Engineer in Charge.

24.0 Arbitration Clause:

- (I) The Arbitration Award may be referred to a Conciliation Committees/ Councils comprising of independent subject expert in order to ensure speedy disposal of the case, as per Conciliation Act.
- (II) The award of the Conciliation Committee/ Council if agreed by both the sides may then be placed for consideration of the Board of Authorities of the Port subject to the delegation of power.
- (III) Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications, designs, drawings and instructions herein before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or any other thing whatsoever, in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders, or to the conditions or otherwise concerning the work or regarding the execution or failure to execute the same whether arising during the progress of the work or after the completion thereof as described hereinafter shall be referred to the Chairman for sole arbitration by himself or by any officer appointed by him.
- (IV) It will be no objection to any such appointment that the arbitrator is an employee of the Board or the Government, that he had to deal with the matters to which the contract relates and that in the course of his duties as an employee of the Board of the Government, he had expressed views on all or any of the matters in dispute or of difference.

The arbitrator, who has been dealing with the arbitration case, being transferred or vacating his office or in the event of his death or being unable to act for any reason, the Chairman then holding the office shall arbitrate himself or appoint any officer to act as arbitrator.

-
- (V) It is also a term of this contract that no person other than the Chairman himself or any officer appointed by him shall act as arbitrator.
- (VI) It is a term of this contract that only such questions and disputes as were raised during the progress of other work till its completion and not thereafter shall be referred to arbitration. However, this would not apply to the questions and disputes relating to liabilities of the parties during the guarantee period after completion of the work.
- (VII) It is a term of the contract that the party invoking arbitration shall give a list of disputes with amount of claim in respect of each said disputes along with the notice seeking appointment of arbitrator.
- (VIII) It is also a term of the contract that if the Contractor does not make any demand for appointment of arbitrator in respect of any claims/disputes in writing, as aforesaid, within 120 days of receiving the intimation from the Engineer –in-charge that the final bill is ready for payment, the claim of the Contractor shall be deemed to have been waived and absolutely barred and the Port Authorities shall be discharged and released of all liabilities under the contract in respect of these claims.
- (IX) It is also a term of the contract that the arbitrator shall adjudicate only such disputes/claims as referred to him by the appointing authority and give separate award against each dispute/claim referred to him. The arbitrator will be bound to give claim wise detail and speaking award and it should be supported by reasoning.
- (X) The award of the arbitrator shall be final, conclusive and binding on all the parties to Contractor.
- (XI) The arbitrators from time to time, with the consent of both the parties, enlarge the time for making & publishing the award.
- (XII) Arbitration shall be conducted in accordance with the provisions of Indian Arbitration Act, 1996 or any statutory modifications or e-enactment thereof and rules made there under and for the time being in force shall apply to the arbitration proceeding under this clause.
- (XIII) It is also a term of the contract that if any fees are payable to the arbitrator, this shall be paid equally by both the parties.
- (XIV) It is also a term of a contract that the arbitration shall be deemed to have been entered on the reference on the date he issues the first notice to both the parties calling them to submit their statement of claims and counter statement of claims.
- (XV) Venue of the arbitration shall be such place as may be fixed by the arbitrator at his sole discretion.

25.0 Indemnification:

The Contractor shall indemnify, protect and defend at its own cost, Deendayal Port Authority and its agents & employees from & against any/all actions, claims, losses or damages arising out of

- a) any violation by the Contractor in course of its execution of the contract of any legal provisions or any right of third parties;
- b) Contractor's failure to exercise the skill and care required for satisfactory execution of the contract.

26.0 Engineer-in-Charge or his nominee's Decisions

Except where otherwise specifically stated, the Engineer-in-Charge or his nominee will decide contractual matters between the employer and the Contractor in the role representing the employer.

27.0 Delegation

The Engineer-in-Charge or his nominee may delegate any of the duties and responsibilities to other people after notifying the Contractor and may cancel any delegation after notifying the Contractor.

28.0 Communications

Communications between parties which are referred to in the conditions are effective only when in writing. A notice shall be effective only when it is delivered (in terms of Indian Contract Act 1872).

29.0 Personnel

29.1 The Contractor shall employ the key personnel named in the Schedule of Key Personnel as referred to in the Contract Data to carry out the functions stated in the Schedule or other personnel approved by the Engineer-in-Charge. The Engineer-in-Charge will approve any proposed replacement of Key personnel only if their qualifications, abilities, and relevant experience are substantially equal or better than those of the personnel listed in the Schedule.

29.2 If the Engineer-in-Charge asks the Contractor to remove a person who is a member of the Contractor's staff of his work force stating the reasons, the Contractor shall ensure that the person leaves the Site within seven days and has no further connections with the work in the Contract.

30.0 Employer's Obligation (superseded as per Clause no. 7 of Section-III)

-
- (i) Electricity, water and land for execution of the work at site shall be provided on payment of applicable tariff of the employer subject to availability. If DPA is unable to provide electricity and water the same will be arranged by the contractor at his own cost. Necessary meters should be installed by the contractor at its own cost.
 - (ii) The employer will not provide Port Authority Quarters, during the tenure of contract
 - (iii) Administrative support only, for obtaining clearance from any statutory authority, shall be provided by the employer.
 - (iv) Facilitating for issue of port entry passes to the staff engaged by successful bidder and their vehicles during the period of contract
 - (v) On successful completion of all the obligations under the contract and on the request of the Contractor, the employer shall issue a "Completion Certificate with the approval of the Chief Mechanical Engineer, the employer.

31.0 Queries about the Technical Data

The Engineer-in-Charge or his nominee will clarify queries on the Technical Data.

32.0 Approval by the Engineer-in-Charge or his nominee.

The Contractor shall submit the Make of material, equipment's and specifications & drawings for proposed Work to the Engineer-in-Charge or his nominee, who is to approve them subject to compliance with the Technical specifications and drawings.

The Engineer-in-Charge or his nominee's approval shall not alter the Contractor's responsibility for the work. All drawings prepared by the contractor for the work, if any, are subject to prior approval by the EIC before procurement/ execution.

33.0 Discoveries

Anything of historical or other interest or of significant value unexpectedly discovered on the site is the property of the employer. The contractor is to notify the employer or his nominee of such discoveries and carry out the instructions of employer or his nominee for dealing with them.

34.0 Access to the site

The contractor shall allow the Engineer in charge or his nominee and any person authorized by him access to the site to any place where work in connection with the contract is being carried out or is intended to be carried out and to any place where materials or plant are being manufactured, fabricated and/or assembled for the work.

35.0 Instructions

The contractor shall carry out all instructions of the engineer or his nominee which comply with applicable laws where the site is located.

36.0 Safety

The Contractor shall be responsible for the safety of all activities on the Site.

37.0 Identification of Defects

The Engineer-in-Charge or his nominee shall check the work carried out by Contractor and notify the Defects found if any. The Engineer-in-Charge or his nominee may instruct the Contractor to rectify the Defect.

38.0 Correction of Defects

38.1 The Engineer-in-Charge or his nominee shall give notice to the Contractor of any Defects before the end of the Defects Liability Period (Guarantee Period), which begins at Completion and is defined in the Contract Data. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.

38.2 Every time notice of a Defect is given the Contractor shall correct the notified Defect within the length of time specified by the Engineer-in-Charge or his nominee's notice.

39.0 Uncorrected Defects

If the Contractor has not corrected a Defect within the time specified, the Engineer-in-Charge or his nominee will assess the cost of having the Defect corrected, and the Contractor will pay this amount.

40.0 Employer's right of Rejection:

The employer shall reserve the right to reject a part portion or consignment thereof within a reasonable time after actual delivery thereof at the place of destination, if consignment is not in all respects in conformity with terms & conditions of the contract whether on account of any loss, deterioration or damage before dispatch or delivery or during transit or otherwise whatsoever.

41.0 Removal of Rejected goods:

Rejected goods shall under all circumstances lay at the risk of the contractor from the moment of rejection and if such goods are not removed by the contractor within 21 days from the date of intimation from the Engineer-in-Charge. Engineer-in-Charge may either return to the contractor at the risk and cost of the contractor by such mode of transport as the Engineer-in-Charge may select or dispose of such material at the contractor's risk on his account and retain such portion of the sale proceeds as may be necessary to recover any expenses incurred in such disposals.

42.0 Use of Contract Document:

The Contractor shall not, without prior consent, make use of any document except for the purpose of performing this contract.

43.0 Memorandum of Settlement:

The Contractor shall not sign any memorandum of settlement with any agency such as Trade Unions etc. in any form at any level without the prior written permission of the employer in relation to any work under taken by him in the Port premises.

44.0 Deviations: (Pl. refer Clause No. 10 of Sec-III, for continuation of this clause)

The bidder must read the tender document carefully and prepare the bid for submission. It is important to note that deviations, if any, must be brought out clearly in the technical offer, which shall be examined by Deendayal Port Authority. If the deviation statement submitted by the bidder does not contain any item, then it shall be construed that the bidder has accepted the same and no request from the Contractor, for any change, shall be accepted by DPA at a later stage. In any case, no change in specifications given in the tender agreement shall be permitted. However, only in unavoidable circumstances, Deendayal Port Authority may consider such requests from the Contractor, provided the Contractor submits it's request with adequate justification.

45.0 Approvals:

The Engineer-in-Charge shall give specific approval in writing within 7 Days to Contractor after written submission regarding Makes of Material to be used for the Contract and Drawings, if any to be furnished by the Contractor to Engineer-in-Charge for approval. Any corrections to be suggested by Engineer-in-Charge in drawings, the days taken for rectification in drawings shall be in account of the Contractor.

46.0 Third Party Inspection:(superseded as per Clause no. 13 of Section-III)

- i. The Third-Party Inspection Agency shall be arranged by DPA and cost of Third-Party Inspection mentioned below shall be borne by DPA.
- ii. The Third-Party Inspection Agency will carry out approval of drawings if any, material inspection at manufacturer's work/ site, dispatch clearance from manufacturer's work, certification for releasing payments as per payment terms of contract for all the material as per schedule/work till taken over by DPA.
- iii. The Third party shall carry out inspection of work as per tender specification/ relevant standard.
- iv. The stage payment of the contractor shall be released after certifying by the third party and copy of the same shall be produced by Contractor for releasing the stage payment as per Payment Terms.

47.0 Bar Chart: (-Not Applicable as per Clause No. 12 of Section-III-)

The Contractor shall submit a bar chart, before signing the agreement, clearly indicating the plan for timely execution of the work. The bar chart must indicate the individual activities and commencement and completion dates of each activity. The bar chart shall be used for monitoring the progress of the work.

48.0 Engagement of labour:

The contractor shall, unless otherwise provided in the Contract, make his own arrangements for the engagement of all staff and labour, local or other, and for their payment, housing, feeding and transport.

49.0 Police verification of contract labour

The Contractor who has been awarded the job through Work Order shall furnish necessary Police Clearance Certificate in respect of character and antecedents of all contract labourers engaged by them, before commencing the work at site.

This will be a part of Contractual Agreement, as entire Cargo Jetty, Oil Jetty area has been declared as "**Prohibited Area**". Contractor who would be awarded contract is required to comply with the above requirements.

Contractor shall obtain such Police Clearance Certificate from Police available against a nominal fee per Certificate and they will submit this Certificate giving Work Order reference on it, to the Office of the Engineer in Charge of respective Divisions, to be forwarded to Commandant, CISF which our Security Department along with request for issuance of Entry Passes.

The Contractor shall, if required by the Engineer-in-Charge, deliver to the Engineer-in-Charge a return in detail, in such form and at such intervals as the Engineer-in-Charge may prescribe, showing the staff and numbers of the several classes of labour from time to time employed by the Contractor on the Site and such other information as the Engineer-in-Charge may require.

a) Submission of Labour Reports by Every Fortnight:

The contractor shall submit, by the 4th and 19th of every month, to the Engineer-in-Charge a true statement showing, in respect of the second half of the preceding month and the first half of the current month respectively.

1. The number of laborers employed by him on the work.
2. Their working hours.
3. The wages paid to them.
4. The accidents that occurred during the said fortnight showing the circumstances under which they happened and the extent of damage and injury caused by them, and
5. The number of female workers who have been allowed Maternity Benefit, according to clause 19 F and the amount paid to them, failing which, the Contractor shall be liable to pay to Government a sum not exceeding Rs. 200/- for each default or materially incorrect statement. The decision of the Engineer-in-Charge shall be

final in deducting from any bill due to the contractor the amount levied as fine and be binding on the contractor.

- b)** No labour below 14 Years: No labour below the age of 14 (fourteen) years shall be employed on the work.

50.0 Registers to be maintained at site

1. Site order Book

A site order book is to be maintained by the contractor at the site. The work orders and instructions written in the site order book shall be deemed to have been legally issued to the contractor shall sign each entry in the site order book as a token of his having seen the same. The site order book shall be property of the Board and shall be handed over to the Engineer-in-charge of the work in good condition on the completion of the work or whenever required by the Engineer-in-charge or his authorized representative.

2. Hindrance Register

Every type of hindrance arising during the execution of work should be invariably recorded in the hindrance register. The Hindrance Register is to be maintained by the Engineer in Charge at the site. The contractor shall sign each entry in the hindrance Register as a token of his having seen the same. The Hindrance Register shall be property of the Board.

51.0 No damage, hindrance or interference to the Port activities:

The contractor shall be required to execute the work in such a manner as not to cause any damage, hindrance or interference to the Port activities and the work going on in the area. The contractor shall have to make good the loss at his own cost and risk all damages caused by his workmen to Port property and no extra payment shall be made to him on that account.

52.0 Tools & Tackles:

All the tools, tackles, bricks, cement, ladders etc. for executing the work will have to be arranged by the contractor at his own cost. Arrangement for storing the materials, tools etc. will also have to be made by him. The employer shall not be responsible for any theft/loss of any materials, tools, etc. stored/brought by the contractor for execution of work within the Port area.

53.0 Hot work

In case of carrying out any hot work such as gas cutting and welding necessary regulations, prevailing at Deendayal Port Authority for such works shall be observed by the Tenderer and necessary fire watch permit and No Objection Certificate shall be obtained from the concerned authorities of the port and necessary charges at the scale of rate prevailing in the port at that time shall be paid by the contractor.

54.0 Indian Dock Safety Regulations

Necessary Indian Dock Safety Regulations for the safety purpose shall be adhered to by the contractor and he will be held responsible for any violation of the same.

**55.0 Valid Electrical Contractor License and Electrical Supervisor Certificate:
(-Not Applicable- as mentioned in Clause No. 12 of Section-III)**

The contractor shall have valid electrical contractor's license for carrying out electrical work of nature involved in this tender obtained from the Commissioner of Electricity, Energy & Petrochemical Department, (Inspection wing), Block No.18, 6th floor, Sector No. II, Udyog Bhavan, Gandhinagar, Government of Gujarat without which the tender shall not be accepted. Contractor shall submit certificate and copy of the license in lieu of the same for consideration.

The contractor shall also have a valid Electrical Supervisor's certificate of competency, issued from the Commissioner of Electricity, Energy & **Petrochemical Department, (Inspection wing), Block No.18, 6th floor, Sector No. II, Udyog Bhavan, Gandhinagar, Government of Gujarat** or equivalent authority from the other states/central Govt.

56.0 Action where no Specifications are specified

The work shall be carried out in all respects in accordance with the instructions and requirements of the Engineer-in- Charge.

57.0 Undertaking by the Contractor:

Having understood all the terms and conditions of the tender document and having assessed the site conditions, we hereby confirm that the price offered by us is a firm price and includes all the taxes, (excluded GST), duties etc. and all incidental charges.

58.0 Labour License:

The contractor shall have to obtain necessary license from the Assistant Labour Commissioner (Central), Gopalpuri, Kachchh in case he has to engage 10 or more workers on any day during the execution of work.

59.0 Fraudulent documentation by bidders:

Submission of fraudulent documents shall be treated as major violation of the tender procedure and in such cases the Port shall resort to forfeiture of SD/BG of the bidder, apart from blacklisting the firm for the next 3 years.

- 5.1 The contract period shall be for 60 days from the date of issue of work order.
- 5.2 Any notice to the agency shall be deemed to be sufficiently served, if given or left in writing or email at his usual or last known place of abode or business.
- 5.3 The service provider should confirm that there is no conflict of interest on the part of him and on the part of the deployed manpower's in performing the work, and has to submit an 'Undertaking' regarding the same.
- 5.4 No compensation shall be payable to the contractor on account of delay in work caused by Deendayal Port Trust for whatsoever reason however, Deendayal Port Authority will consider extension of time, if the work is delayed on Deendayal Port Authority's account.
- 5.5 DPA also reserves the right to foreclose the contract with one months' notice period without payment of any compensation.

6. Rejection:

Substitution, changes or delays shall not be accepted unless confirmed by DPA. Rejected materials, if any, shall have to be collected from site within one weeks after receipt of intimation.

7. Port Obligation (Clause no. 30 of Section-II is replaced as under)

- 7.01 Electricity, water and land for execution of the DPA work at site shall be provided free of cost by the employer subject to availability. If DPA is unable to provide electricity and water the same will be arranged by the contractor at his own cost. The contractor shall arrange for transportation of staffs & materials if required from work site to repair site and vice a versa.- **Not Applicable.**
- 7.02 Administrative support only, for obtaining clearance from any statutory authority, if any, shall be provided by the employer.
- 7.03 The employer will provide Port Authority Quarters on payment of applicable tariff,

water & electricity charges of the employer subject to availability, during the tenure of contract. Any nuisance, non-sober behavior, intoxication etc. in the port quarter shall be liable for cancellation of the same. - **Not Applicable.**

7.04 Facilitating for issue of port entry passes to the staff engaged by successful bidder and their vehicles during the period of contract. - **Not Applicable.**

7.05 On successful completion of all the obligations under the contract and on the request of the Contractor, the employer shall issue a Completion Certificate.

8. Liquidated Damage/Penalty (Clause no. 11 of Section-II is replaced as under)

8.1. In case of delay in completion of the contract, liquidated damages (LD) may be levied at the rate of 1/2% of the contract value per week of delay or part thereof, subject to maximum of 10% of the contract price.

8.2. The employer, if satisfied that the works can be completed by the Agency within a reasonable time after the specified time for completion may allow further extension of time at its discretion with or without the levy of LD. In the event of extension of time at its discretion with LD the employer will be entitled without prejudice to any other right or remedy available in that behalf per cent (1/2%) of the contract value of the works for each week or part of the week subject to the ceiling of 10% of contract value.

8.3. The employer, if not satisfied that the works can be completed by the contract, and in the event of failure on the part of the Agency to complete work within further extension of time allowed as aforesaid shall be entitled without prejudice to any other right or remedy available in that behalf to rescind the contract.

8.4. The employer, if not satisfied with the progress of the contract and in the event of failure of the Agency to recoup the delays in the mutually agreed time frame, shall be entitled to terminate the contract.

8.5. In the event of such termination of the contract as described in clauses (8.3) or (8.4) or both, the employer shall be entitled to recover LD up to ten percent (10%) of the contract value and forfeit the security deposit made by the contract besides getting the work completed by other means at the risk and cost of the agency.

9. –Deleted--

10. Deviations: (Kindly read with clause no. 44 of Section-II)

If the justifications submitted by the agency is not acceptable to the port, shall be withdrawn by the Agency, otherwise, the same shall be liable to the rejection of the bid.

11. Work-Order shall be sent through Email/Fax/Post. All mode of dispatch shall be treated as valid for the purpose of date of receipt.

12. The clause no. 06, 10.2 of Section –I, 16.4, 47 & 55 of Section-II, clause no. 09 of Section-III are deleted and not applicable.

13. Third Party Inspection: (Clause no. 46 of Section-II is replaced as under)

- i. The Third Party Inspection Agency shall be arranged by DPA and cost of Third Party Inspection mentioned below shall be borne by DPA.
- ii. The Third Party Inspection Agency will carry out approval of drawings if any, items inspection at work site, dispatch clearance from manufacturer's site, certification for releasing stage payments as per payment terms of contract for all the material as per schedule/work till takeover by DPA. The Third Party shall carry out inspection of supplied materials based on tender conditions/ descriptions/ specification.
- iii. The Execution of the work shall be subject to third party inspection by the agency engaged by DPA. The contractor is required to comply the observations, queries of the agency and any cost incurred from this purpose shall be the responsibility of the contractor.
- iv. TPIA shall inspect and certify the materials, systems and works as per the scope and descriptions /specification mentioned for the work.
- v. The Third Party shall carry out inspection of work as per available tender specification/relevant standard. All tests shall be carried out in the presence of the TPI and Engineer In-charge or representative and any corrections found necessary shall be carried out accordingly.
- vi. It should be noted by the bidders that the information, size, specifications, & dimensions mentioned in this tender document, are indicative. The successful bidder shall workout detail drawings meeting the functional requirements as per relevant IS standards, well within the sanctioned estimate, and submit the drawings for approval to employer & TPIA.

14. WARRANTY (Clause no. 14 of Section-II is replaced as under): The contractor shall warrant that all piping and equipment, fittings shall be brand new and of first class workmanship. The warranty period of the installed system shall be valid up to six months (6 months) with effect from the date of acceptance of the work and/or services. Any part found defective due to either faulty design, defective material and/or faulty workmanship during the warranty period shall be rectified/replaced free of cost by the agency. However, normal wear & tear of the parts or defects/deficiencies caused due to negligent handling and improper maintenance of the plant and machinery by the Purchaser and damages due to natural hazards like fire, earthquake, flood etc. shall not come under the purview of the warranty.

15. If applicable, the contractor shall be registered under the Building and Other Constructions Workers (Regulation of Employment and Conditions of Service) Act, 1996.

SPECIMEN LETTER OF INTEGRITY PACT
(To be executed on Rs. 300/- non-judicial stamp paper)

**INTEGRITY
PACT
BETWEEN**

**DEENDAYAL PORT AUTHORITY (DPA) hereinafter referred to
as "The Principal"**

AND

(Name of The bidders and consortium members) hereinafter referred to as
"The Bidder / Contractor"

Preamble: The Principal intends to award, under laid down organizational procedures, contract(s) /concession(s) for Tender No.
The Principal values full compliance with all relevant laws of the land rules, regulations, economic use of resources and of fairness / transparency in its relations with its Bidder(s) and / or Contractor(s).

In order to achieve these goals, the Principal will appoint Independent External Monitors (IEMs), who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 - Commitments of the Principal

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:

(a) No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

(b) The Principal will, during the tender process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.

(c) The Principal will exclude from the process all known prejudicial persons.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC / PC Act, or if there be a substantive

suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition, can initiate disciplinary actions.

Section 2 - Commitments of the Bidder(s) / Contractor(s)

(1) The Bidder(s) / Contractor(s) commits themselves to take all measures necessary to prevent corruption. The Bidder(s) / Contractor(s) commits themselves to observe the following principles during participation in the tender process and during the contract execution.

a. The Bidder(s) / Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in tender process or the execution of the contract or to any third person any material or other benefit, which he / she is not legally entitled to, in order to obtain in exchange of advantage of any kind whatsoever during the tender process or during the execution of the contract.

b. The Bidder(s) / Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids, or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

c. The Bidder(s) / Contractor(s) will not commit any offence, under the relevant Prevention of Corruption Act / Indian Penal Code / PC Act; further the Bidder(s) / Contractor(s) will not use improperly, for purposes of competition, or personal gain, or pass on to others, any information or document provided by the Principal, as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

d. The Bidder(s) / Contractor(s) of foreign origin shall disclose the name and address of the Agents / Representatives in India, if any. Similarly, the Bidder(s) / Contractor(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. Further details as mentioned in the "Guidelines on Indian Agents of Foreign Suppliers" shall be disclosed by the Bidder(s) / Contractor(s). Further, as mentioned in the Guidelines all the payments made to Indian agent / representative have to be in Indian Rupees only. Copy of the "Guidelines on Indian Agents of Foreign Suppliers" is placed at (page Nos. 7-20)

e. The Bidder(s) / Contractor(s) will, when presenting their bid, disclose any and all payments made, is committed to or intends to make to agents, brokers or any other intermediaries, in connection with the award of the contract.

f. Bidder(s) / Contractor(s) who have signed the Integrity Pact shall not approach the Courts while representing the matter to IEMs and shall wait for their decision in the matter.

(2) The Bidder(s) / Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future contracts.

If the Bidder(s) / Contractor(s), before award or during execution has committed a transgression through a violation of Section-2 above, or in any other form, such as to put their reliability or credibility in question, the Principal is entitled to disqualify the Bidder (s) / Contractor(s), from the tender process, or take action as per the procedure mentioned in the "Guidelines on Banning of business dealings". Copy of the "Guidelines on Banning of business dealings" is placed at (Page No. 7-20).

Section 4 - Compensation for Damages

(1) If the Principal has disqualified the Bidder(s), from the tender process prior to the award, according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit / Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor, liquidated damages of the Contract Value or the amount equivalent to Security Deposit /Performance Bank Guarantee, whichever is higher.

(3) The Bidder(s) agrees and undertakes to pay the said amounts, without protest or demur, subject only to condition that, if the Bidder(s) / Contractor(s) can prove and establish that the termination of the contract, after the contract award has caused no damage or less damage than the amount of the liquidated damages, the Bidder/Contractor shall compensate the principal, only to the extent of the damage in the amount proved.

Section 5 - Previous transgression

(1) The Bidder declares that, no previous transgressions occurred in the last three years with any other company in any country confirming to the anti-corruption approach or with any other Public Sector Enterprises in India, that could justify his exclusion from the tender process.

(2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the procedure mentioned in "Guidelines on Banning of Business dealing".

Section 6 - Equal treatment of all Bidders / Contractors

(1) In case of a Joint Venture, all the partners of the Joint Venture will enter into agreement with identical conditions as this on which all Bidders.

(2) There is no provision of sub-contract in the tender, any violation of the same, Contractor shall be held solely responsible for the same.

Section 7 - Criminal charges against violating Bidders / Contractors

If the principal obtains knowledge of conduct of a Bidder or Contractor or of an employee, or a representative, or an associate of a Bidder or Contractor, which constitutes corruption, or if the Principal has substantive suspicion, in this regard, the Principal will inform the same to the Chief Vigilance Officer (CVO) and the CVO will take further necessary action as deemed fit in accordance with the CVC Manual.

Section 8 - External Independent Monitor

(1) The Principal appoints competent and credible Independent External Monitor for this Pact after approval by Central Vigilance Commission. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

(2) The Monitor is not subject to instructions by the representative of the parties and performs his / her functions neutrally and independently. The Monitor would have access to all Contact documents, whenever required. It will be obligatory for him / her to treat the information and documents of the Bidders / Contractors as confidential. He / she reports to the Chairperson of the Board of the Principal.

(3) The Bidder(s) / Contractor(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Bidder / Contractor will also grant the Monitor, upon his / her request and demonstration of a valid interest, unrestricted and unconditional access to the project documentation. The Monitor is under contractual obligation, to treat the information and documents of the Bidder /Contractor with confidentiality.

(4) The Monitor is under contractual obligation to treat the information and documents of the Bidder(s) / Contractor(s) with confidentiality. The Monitor has also signed declaration on "Non Disclosure of Confidential Information" and of "Absence of Conflict of Interest". In case of any conflict of interest arising at a later date, the IEM shall inform Chairman, DPA and recues himself / herself from that case

(5) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Bidder /Contractor. The parties offer to the Monitor the option to participate in such meetings.

(6) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he / she will so inform the Management of the Principal and request the management to discontinue, or take corrective action. The Monitor can in this regard submit non-binding recommendations. Beyond this, the

Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

(7) The Monitor will submit a written report to the Chairperson of the Board of the Principal, within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.

(8) If the Monitor has reported to the Chairperson of the Board of the Principal, a substantiated suspicion of an offence under relevant IPC / PC Act and the Chairperson of the Board of the Principal has not, within reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

(9) The word "Monitor" would include both singular and plural.

Section 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded. Any violation of the same would entail disqualification of the bidder and exclusion from future business dealings. If any claim is made / lodged during this time, the same shall be binding and continue be valid despite the lapse of this Pact as specified above, unless it is discharged /determined Chairperson of the Principal. The Pact duration in respect of unsuccessful Bidders shall expire after 6 months of the award of the contract.

Section 10 - Other Provisions

(1) This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. Gandhidham, Gujarat.

(2) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

(3) If the Bidder / Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.

(4) Should one or several provisions of this agreement, turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

- (5) Issues like Warranty / Guarantee etc. shall be outside the purview of IEMs.
- (6) In the event of any contradiction between the Integrity Pact and its Annexure, the Clause in the Integrity Pact will prevail.

GUARANTEE/SECURITY DEPOSIT

(To be executed on Rs. 300/- non-judicial Stamp Paper & to be submitted after entering by issuing Branch in their online system for generating Bank Guarantee in SFMS Mode)

To,
 The Board of Deendayal Port Authority,
 A.O. Building, P.O. Box No.50,
 Gandhidham -Kutch.

In consideration of the Board of Deendayal Port Authority of the Port of DEENDAYAL PORT AUTHORITY incorporated by the Major Port Authorities Act, 2021 (hereinafter called "The Board" which expression shall unless excluded by or repugnant to the context or meaning thereof be deemed to include the Board of Deendayal Port Authority of the Port of [DEENDAYAL PORT AUTHORITY], its successors and assigns) having agreed to exempt _____ (hereinafter called the "contractor") (Name of the contractor/s) from the demand under the terms and condition of the contract, vide _____ (Name of the Department)'s letter No. _____ Date _____ made between the contractors and the Board for execution of _____ covered under Tender No. _____ dated _____ (hereinafter called "the said

contract") for the payment of Security Deposit in cash or Lodgment of Government Promissory Loan Notes for the due fulfillment by the said contractors of the terms and condition of the said contract, on production of a bank Guarantee for Rs. _____ (Rupees _____) only we, the (Name of the Bank and Address) _____ hereinafter referred to as "the Bank") at the request of the contractors do hereby undertake to pay to the Board an amount not exceeding Rs. _____ (Rupees _____) only against any loss or damage caused to or suffered by the Board by reason of any breach by the contractors of any of the terms and conditions of the said contract.

2. We, _____ (Name of Bank) (Name of Branch), do hereby Undertake to pay the amount due and payable under this guarantee without any demur merely on a demand from the Board stating that the amount claimed is due by way of loss or damage caused to or which would be caused to or suffered by the Board by reason of the contractor's failure to perform the said contract. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this guarantee shall be restricted to any amount not exceeding Rs. _____ (Rupees _____) only.

3. We, _____ (Name of Bank and Branch), undertake to pay to the Board any money so demanded notwithstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any Court or Tribunal relating thereto our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under and the Contractor(s) shall have no claim against us for making such payment.

4. We, (Name of Bank and Branch), further agree with the Board that the guarantee herein contained shall remain in full force and effect during the period that would be taken for performance of the said contract and that it shall continue to be enforceable till all the dues of the Board under or by virtue of the said contract have been fully paid and its claims satisfied or discharged or till the _____ (Name of the user department) of the said certifies that the terms and conditions of the said contract have been fully and properly carried out by the said Contractors and accordingly discharge this guarantee. PROVIDED HOWEVER that the Bank shall at the request of the Board but at the cost of the Contractors, renew or extend this guarantee for such further period or periods as the Board may require from time to time.

5. We, (Name of Bank and Branch), further agree with the Board that the Board shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said contract or to extend the time of performance by the said contract or to extend the time of performance by the said Contractors from time to time or to postpone for any time or from time to time any of the powers exercisable by the board against the said Contractors and to forebear or enforce any of the terms and conditions relating to the said contract and we shall not be relieved from our liability by reason of any such variation or extensions being granted to the contractors or for any forbearance, act or omission on the part of the Board or any indulgence shown by the board to the Contractors or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor(s).

7. It is also hereby agreed that the Courts in Gandhidham would have exclusive jurisdiction in respect of claims, if any, under this Guarantee.

8. We, _____ Bank lastly undertake not to revoke this guarantee during its currency except with the previous consent of the Board in writing.

9. Notwithstanding anything contained herein:

(a) Our liability under this Bank Guarantee shall not exceed Rs. _____ (Rupees _____ only);

(b) This Bank Guarantee shall be valid up to _____; and

(c) We are liable to pay the guarantee amount or any part thereof under this Bank Guarantee only and only if you serve upon us a written claim or demand on or before _____ (date of expiry of Guarantee)."

SECTION-V

Scope of Work of the Contract

1.0 Broad Scope of Work:

The contractor shall visit the site and access the nature of work before bidding. The following will be the broad scope of work of the successful bidder, but not limited to:

The scope of work includes complete Supply, installation, testing and commissioning of essential & integral components as mentioned below for existing 02 nos. PSA Oxygen units of 1000 LPM capacity each installed at Sir T Hospital, Bhavnagar.

Supply system should be designed to achieve continuity of supply to the Terminal Units in normal condition and in a single fault condition.

(A) Automatic Change Over set up with Panel:

The contractor shall have to supply, install, test, commission an automatic change over set up with panel which shall be compatible with existing oxygen plants. Automatic Change over set up with panel should comprises of the following:

- i. Ensure continues oxygen supply at optimum pressure of 4-5 bar.
- ii. Continuous Flow of oxygen to delivery manifold/ line
- iii. Changeover from “Duty” to the “Stand-by” source shall be Automatic & Digital type with nominal capacity of 2000 LPM, tentative Flow Rate of 100 to 2500 LPM & tentative connection Size of $\frac{3}{4}$ ”.
- iv. The working principle shall be preferably based on pneumatic pressure
- v. The system shall comprise of Audio Visual Alarm system & pressure gauges. Pressure Monitoring and Alarm Systems are to be provided to alert the medical staff to initiate necessary timely action.
- vi. Pneumatic relief valve shall be provided in Hospital Distribution Line.
- vii. The system shall be installed by the contractor complete in all respects for successful & smooth operation of the changeover panel viz., connection & fittings, copper heavy duty piping, regulator valve with gauge, Non Return Valve, Pressure Switch, Pressure Gauge, Pressure Reducing Valve, 50 mm or as required Copper Oxygen Tubing with necessary accessories, Junction-box, wiring etc. complete in all respect.
- viii. Output: Sufficient oxygen pressure of Oxygen (-2 bar or as per medical standard) shall be available at all bed points.
- ix. Necessary Copper 50mm size Piping Length (approx. 150m) as per requirement to be included for completion of the work.
- x. The Contractor has to supply, fabricate, install, connect, test, & commission the complete medical oxygen piping system including valves, flow meters, pressure gauges, filters, terminal units, bends, tees, connectors, accessories etc. from source of supply (1) existing 02 nos. PSA Oxygen generators each having capacity of 1000 LPM, and (2) existing liquid oxygen system to delivery manifold in the hospital.
- xi. The Copper pipes shall comply EN13348/ BS EN 1057 Medical grade. Necessary Test certificate to be produced during supply stage of the work.
- xii. The pipe shall be suitable for installing vertically or horizontally without sagging or distortion.

- xiii. All tubing, valves and fitting shall be thoroughly checked for any grease, oil or other combustible material during fabrication, installation work.
- xiv. All joints to be connected by brazing suitable for medical grade oxygen piping/tubing work.
- xv. During the brazing of pipe/tube connections the interior of the pipe shall be purged continuously with Nitrogen.
- xvi. Pipelines/Tubing network shall be adequately supported at sufficient intervals.
- xvii. Piping network shall be cleaned, pressure tested after installation and rectified leaks if any found during testing.
- xviii. Suitable isolation valve to be installed at locations for isolation of the system for servicing or repair.
- xix. All valves shall be of the lever ball type, flanged O-ring seal connections.
- xx. All Terminal units shall be leak proof and allow plugging of probes from front with push to insert and press to release mechanism for probe, Self-sealing valve on disengaging the probe, Non return valve for ease of line servicing and repairing and Color-coded Gas Specific front plate.
- xxi. Piping network along with accessories shall be painted with suitable color coding norms.
- xxii. The indicative conditions/ specifications are as follows:

Sr. No	Technical specifications/ composition	
1	Pipe material	Copper Pipes will be Solid drawn, seamless, deoxidized, non-arsenical, half hard tempered and degreased, materials.
2	Fittings	End-feed type, made from the same grade of copper as the pipes, and in accordance with the requirements of BS- EN1254-1: 1998 Part 1.
3	Delivery to site	In degreased condition, plugged or capped at both ends and supplied sealed in protective polythene bags, accompanied by certificate.
4	Joints, on site	To be brazed, except for mechanical joints used for components, employing a method that permits the joints to maintain their mechanical characteristics upto 600 deg. C.
5	Brazing system	Flux less brazing using a copper-phosphorous brazing alloy to BS-1845.
6	Pipe clamps	Shall be non-reactive to copper and be of non-ferrous or non-deteriorating plastic suitable for the diameter of the pipe.
7	Pipeline supports	Spacing not to exceed 1.0M, irrespective of the pipe diameter.
8	Passage through walls, partitions, floors	Through suitable sleeves.
9	Earthing	To be connected to one or more earth terminals.
10	Painting	All exposed pipes to be painted with two coats of synthetic enamel paint (Canary Yellow), the color codification complying with ISO 5359 / IS 2379.

11	Marking and colour coding	To marked with the name and / or symbol adjacent to shut-off valves, at the junctions and the changes of direction, before and after walls and partitions, etc. at the intervals of no more that 10M and adjacent terminal units.
12	Direction marks	Marking to include arrows denoting direction of flow and letters used for marking shall not be less than 6mm high.
13	Identification	All concealed pipes to have gas identification bands/ labels are appropriate distance, similarly all pipes which need embedding in the wall will to be tested/ painted/ labled and properly insulated in accordance with ISO 5359.
14	Post-installation	After erection, the pipelines are to be flushed and purged clean with dry nitrogen gas.
15	Testing	Pressure testing using dry nitrogen gas at 1.5 times the working pressure for at least 24 hours. System should exhibit its integrity and no-leakage. All contraindications, if any, to be carefully examined, problems diagnosed and necessary rectifications/ substitutions carried out, and test repeated after re-purging the lines.

(B) Voltage Stabilizer:

The contractor shall have to supply, install, commission Servo voltage stabilizer of minimum rating of 300 kVA x 02 nos. or existing oxygen plants and allied equipment as per manufacturer guideline. The indicative specifications are as follows:

- i. Input Voltage Range: 380 – 480 V
- ii. Output Voltage: 415 V
- iii. Output Voltage Accuracy: $\pm 1\%$
- iv. Frequency: 47 – 53 Hz.
- v. Type: Suitable for Unbalance Supply and Load Conditions
- vi. Response Time: 10 msec max.
- vii. Efficiency; $>95\%$
- viii. Rate of Correction: upto 105 V / Sec
- ix. Duty cycle: 100 % Continuous / 110 % for 60 Sec. / 150 % for 10 Sec.
- x. Cooling: Oil Cooled
- xi. Operating Temperature: 0 – 45° C. max.
- xii. Relative Humidity upto 90 %

(C) Pressure Safety Valve:

The contractor shall have to supply, install, commission Pressure Safety Valve x 02 nos. The indicative specifications are as follows:

- i. Pressure Range: 4-12 kg/cm², which can be set as per requirement.
- ii. Operating pressure: 0-5 kg/cm²
- iii. MOC: SS/ Pure Brass
- iv. Indicative Size: 1" diameter.
- v. Standard: Relevant ASME

(D) Certification:

The bidder shall have to conduct air quality test and obtain air quality check certificate for each PSA Oxygen plant, from government recognized and accredited laboratory after installation and commissioning of complete essential components for medical grade oxygen.

2. GENERAL TERMS AND CONDITIONS:

- 1) Work should be carried out in good workmanship, and only skilled technician & staffs may be deployed to execute the entire work till commissioning.
- 2) The materials/ equipment/ items to be installed for the said supply shall be latest, original, interchangeable & of relevant standards.
- 3) The above section describes certain broad & indicative requirement to which the contractor shall work, but this shall not absolve the contractor from his responsibility to carry out the work in apt and proper manner and acceptable in all respects as per standard practice even if there is any omission in the prescribed scope/ specification.
- 4) The contractor shall be fully responsible for any damage or breakage of civil work during execution of work & contractor shall make goods the same without any extra cost.
- 5) The contractor will ensure to follow all suitable safety arrangement/rules during execution of the work.
- 6) The period for completion of the work shall be **60 days**, from the date of issue of work order.
- 7) The Defect Liability period of complete system is 06 months from date of successful testing and commissioning.
- 8) During DLP period all complaints/defects/defective parts to be replace by the vender within 48 hrs. after receiving complaint from department. In case of failure to attend and rectify the complaint the work shall got done by the department on the risk and cost of contractor and shall be recovered from security deposit.
- 9) Security deposit amount shall be released after successfully completion of Defect Liability Period of 06 months.
- 10) After Completion of complete work it should be handed over to client i.e., Sir T Hospital, Bhavnagar with duly verified record of successful testing and commission including operation and service manual etc.
- 11) All the accommodations and food facility and other facility for team/staff to execute the work shall have to arrange on his own level however the storage facility for the raw material shall be provided by Sir T Hospital, Bhavnagar. The contractor shall also arrange for transportation of staffs & materials as required from & to work site.
- 12) The contractor is expected to have full knowledge of supply of items, work site and nature of application work and no claim what-so-ever shall be entertained in this regard. Also, Party shall also visit and inspect site and acquaint himself with all local condition and working condition at and around the site. No dispute/claims what-so-ever shall be entertained for the work of any nature arising out of local conditions
- 13) The Port will not be responsible for any damage or loss of any of the materials and for any damage / accident to the contractor's personnel.
- 14) The firm shall arrange necessary watch and ward for their materials till the completion of work.
- 15) The firm shall comply the safety standards for welding works/brazing works and shall arrange welding set/brazing set if required at their own cost and obtain necessary fire permission from the Sir T Hospital.

- 16) The contractor shall be required to execute the work in such a way so as not to cause any damage, hindrance or interference to the activities and work going on in the area adjoining thereof. Any damages shall be repaired by him at his own cost. If he does not repair the damages in reasonable time period, the same will be repaired by DPA at the sole risk and cost of contractor and amount will be recovered from the bill due.
- 17) All the rules and regulations in force for entry inside the site premises shall be observed and following by the contractor and by his employee staff etc. All the applicable labour laws shall be followed by the contractor.
- 18) The complete responsibility for safe working of the staffs will be borne by the Contractor. DPA will not be responsible for any loss, damage or accident to any of the staff. The Contractor have to provide insurance coverage of engaged manpower.
- 19) The staffs should have a sober behavior and obedient. Any staff coming in intoxicated condition will not be accepted by the administration, and, if not replaced shall be marked as absent, and, accordingly, penalty shall be levied.
- 20) The contractor has to provide the required PPE kit to his engaged staffs viz. helmet, safety shoes, gloves, masks, ear-buds etc.
- 21) Packing Charges, Freight & Insurance: shall be inclusive of the amount till Sir T Hospital, Bhavnagar site.
- 22) Inspection: The work shall be inspected by Third Party Agency appointed by DPA at site, and, cost of the TPI shall be borne by DPA. Inspection Procedure for such inspection by DPA's authorized representative(s) shall be mutually settled immediately after the Contract becoming effective.
- 23) Force Majeure shall be restricted to Act of God.
- 24) All the items/materials as stated in above said work is to be shown to Engineer-In- Charge before executing the work.
- 25) The contractor has to provide all necessary tools, men, machines, ladders and tackles etc. & transportation to the site for the respective locations. DPA will not provide anything.
- 26) The Contractor shall at all times during the tenure of the work comply fully with all existing Acts, Regulations and bye laws including all statutory amendments and re-enactment of State or Central Government and other local authorities and any other enactments and Acts that may be passed in future either by the State or the Central Government or local authority.

Section VI

Schedule – B

Sub: "Supply, installation, testing and commissioning of essential & integral components for the installed 02 nos. PSA oxygen units of 1000 LPM capacity each at Sir T Hospital Bhavnagar, donated by Deendayal Port Authority (DPA), under CSR scheme."

Sr. No.	Description	Qty.	Unit	Rate	Amount (excluding GST)
				(in Rs.)	(in Rs.)
1	Automatic Change Over set up with Panel with Piping work along with its parts, accessories etc. as per the scope of work mentioned.	01	Lot.		
2	Voltage Stabilizer with its parts, accessories etc. as per the broad scope of work mentioned.	02	Nos.		
3	Pressure Safety Valve with its fittings, parts, accessories etc. as per the scope of work mentioned.	02	Nos.		
4	Air quality check as per the scope of work mentioned.	02	Nos.		
5	Charges for transportation, erection, testing & commissioning of the complete system.	01	L.S.		
Total amount (Rs.)					

Total Amount in Words (excluding GST)

(Rupees _____ Only)

GST: _____% extra.

Note:

1. The rates to be quoted shall be inclusive of all charges, taxes, Cess, Duty etc. except GST, if any.
2. All above mentioned items in BOQ are including mobilization & demobilization complete in all respects and ready to use as per approved designs, drawings and specifications including installation, testing, inspection, commissioning, defect rectifications.
3. The scope of work specified in the document are Tentative only requirements. Any piece of unit or equipment not specifically mentioned in the scope of work, but required as per guidelines for medical oxygen supply shall be provided by the contractor at no extra cost and shall be deemed to have been specified.
4. Contractor has to visit the site for actual quantification of the proposed job and quantum of the job.
5. Contractor shall carry out site visit for complete understanding of the scope of work.
