Date: 27-07-2018

TRADE NOTICE

Subject:- Engineering, Procurement and Construction of Mechanized Bagging and rake loading facility for fertilizer at Kandla Port including Maintenance and Operation for 8 years.

All Port Users are hereby informed that the bagging and rake loading facility at Godown No. 34 has been put into operation to load the fertilizer cargo w.e.f. 11.07.2018. The said facility is required to be utilized for bagging of fertilizer before carrying the same outside port. In case, when the above facility is occupied or non-operational then only importer will be allowed to use other facility within or outside the port. The users of the above facility shall pay the provisional tariff @ Rs. 158.86 per MT (foreign rates), as the rate is under approval by TAMP.

All Port Users may take note of the above.
