ANNEXURE - I

TERMS AND CONDITIONS OF CONTRACTUAL ENGAGEMENT

1. **Tenure:** The tenure of contractual engagement shall be for a period of 11 months from the date of joining, which may be extended based on the performance of the candidate and port's requirement.
2. **Emoluments & Annual Increment:** Monthly consolidated remuneration is fixed as specified against the positions. Candidates shall not be entitled to any other allowances.
3. **Leaves:** Contractual staff will be allowed to avail a weekly day off, closed holidays, national holidays and Casual Leave (up to 12 days per year). Failure to report for duty or unapproved absence will entail a deduction of wages on a pro-rata basis.
4. **Working Hours & Headquarters:** Working days and hours will be as per DPA Hospital Schedule/Timings. This includes staying beyond normal hours in case of exigencies. Staff must not leave the headquarters without prior permission from the HoD/Divisional Officer.
5. **Notice Period & Termination:** Staff must give a 3-month advance notice prior to leaving the contractual engagement. If a candidate leaves without notice or prior acceptance of termination, the consolidated pay due will be forfeited. The Port reserves the right to terminate the contractual engagement at any time without notice on grounds of misconduct or otherwise.
6. **Medical Facilities:** Medical treatment will be provided in the Port Hospital to the extent facilities are available in-house, for **self only**. No external medical claims will be entertained. OPD facilities extend to family members only if they reside with the employee at the place of duty.
7. **Accommodation:** Selected staff may be provided with residential quarters in the Port colony based on availability, mutual agreement, and payment of license fees/user charges as applicable.

8. **Police Verification:** The contractual engagement is strictly subject to the verification of antecedents by the Police. Receipt of any adverse report will result in immediate termination of contractual engagement.
9. **Exclusivity:** Contractual staff will not be permitted to take up any other assignment, business, or employment during the period of contractual engagement with the Port.
10. **Official Tours:** On official tours outside the headquarters, entitlement to Travelling Allowance / Daily Allowance (TA/DA) will be applicable as per respective level of regular employees with prior approval. No TA/DA shall be paid for joining the initial engagement or appearing for the interview.
11. **Medical Fitness:** The contractual engagement shall be subject to the candidate being found medically fit as per the specific requirements of the Port.
12. **Integrity & Official Secrets:** Contractual Staff must maintain absolute integrity, devotion to duty, and will be liable for penal action for misconduct or causing loss to Port property. Such Staff shall be strictly governed by the Official Secrets Act, 1923, and must not disclose any official data/information to unauthorized persons.
13. **Legal Jurisdiction:** Any legal proceedings or claims arising out of this contractual engagement process can be instituted only in Courts/Tribunals/Forums at Ahmedabad/Gandhidham, which shall have sole and exclusive jurisdiction.

Annexure- II

Position	Brief Duties and Responsibilities
Sr. Physiotherapist	Sr. Physiotherapist is required to provide the physiotherapy to the needy patients as per the advice of the Medical Officers and they shall take care of the entire Physiotherapy Unit. The details of requirement of any material or servicing/repairing, etc. shall be brought to the notice of CMO.
Physiotherapist	Physiotherapist is required to provide the physiotherapy to the needy patients and they shall take care of the entire Physiotherapy Unit. The details of requirement of any material or servicing/repairing, etc. shall be brought to the notice of Sr. Physiotherapist/CMO. If required and as directed by the CMO/MO, he/she needs to visit the house of the patient for providing physiotherapy.
Optometrist	Work related to conducting primary eye examinations, measuring visual acuity, and prescribing corrective lenses or spectacles. Their duties include detecting visual signs of refractive errors, screening for common ocular diseases (like cataracts or glaucoma), and referring complex conditions to Ophthalmologists. They are also responsible for managing optical inventory, maintaining ophthalmic equipment, and completing any other work assigned by the concerned HoD / DPA Management, time to time.
OT Assistant	Preparing the Operating Theater before surgeries, ensuring strict sterilization of equipment, surgical instruments, and maintaining aseptic conditions. Their duties include assisting the surgical team during operations by handling tools, managing patient positioning, monitoring basic parameters, and post-operative cleanup of the theater. They will also handle any other work assigned by the concerned HoD / DPA Management, time to time.
Nurse	Work related to providing direct patient care, executing clinical procedures, administering prescribed medications, and monitoring vital signs. Their duties include maintaining comprehensive patient charts, executing nursing care plans, assisting physicians during rounds or examinations, and offering health education to patients and families. They are also responsible for maintaining ward hygiene, managing nursing inventory, and completing any other work assigned by the concerned HoD / DPA Management, time to time.
ECG Technician	Preparing patients for and administering electrocardiogram (ECG) tests to record cardiac electrical activity. Their duties include placing electrodes accurately on the patient's body, operating and maintaining the ECG machine, ensuring high-quality waveform readings, and delivering reports promptly to the consulting doctors. They are also responsible for maintaining records of procedures and any other work assigned by the concerned HoD / DPA Management, time to time.
Female / Male Ward Orderly	Work related to assisting Female/Male patients with mobility, personal hygiene, and shifting between wards, diagnostics units, or operational theaters. Their duties include maintaining tidiness in the respective wards, changing bed linens, transferring samples or files to laboratories, and distribution of food or water to patients. They will also perform any other support or auxiliary work assigned by the concerned HoD / DPA Management, time to time.
