- 22.5 Bidders may only offer discounts to, or otherwise modify the prices of their bids by submitting bid modifications in accordance with this clause or included in the original bid submission.

E. BID OPENING AND EVALUATION

23. Bid opening

- 23.1 On the due date and appointed time as specified in clause 20, the Employer will first open Technical bids of all bids received (except those received late) including modifications made pursuant to clause 22 in presence of the bidders or their representative who choose to attend. In the event of the specified date for Bid opening being declared a holiday by the Employer, the bids will be opened at the appointed time and location on the next working day.
- 23.2. Envelopes marked "WITHDRAWAL" shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause 22 shall not be opened.
Bidder's name, withdrawals, modifications of technical bid, the presence of bid security and such other details, as the Employer may consider appropriate will be announced by the Employer at the opening.
- 23.3 If all Bidders have submitted unconditional Bids together with requisite bid security, then all bidders will be so informed then and there. If any Bid contains any deviation from the Bids documents and/or if the same does not contain Bid security in the manner prescribed in the Bid documents, then that Bid will be rejected and the Bidder informed accordingly. The sealed financial bid containing priced BOQ will be returned to him without opening. All valid financial bids whose technical bids have been determined to be substantially responsive in accordance with Clause 26 hereof, shall be opened on the specified date from declaring the results of the Technical Bid, in presence of the bidders or their representatives who choose to attend. The Bidder's name, the Bid prices, the total amount of each Bid and

of any alternative Bid (if alternatives have been requested or permitted), any discounts, Bid modifications and withdrawals, and such other details as the Employer at the opening. Any bid price, discount, or alternative Bid price which is not read out and recorded at Bid opening, will not be taken into account in Bid evaluation.

- 23.4 The Employer shall prepare minutes of the Bid opening, including the information disclosed to those present and the minutes shall form part of the contract.

24 Process to be confidential.

Information relating to the examination, clarification, evaluation and comparison of the bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful bidder has been announced.

25. Clarification of Bids

To assist in the examination and comparison of Bids, the Employer may, at his discretion, ask any Bidder for clarification of his Bid, including breakdown of unit rates. The request for clarification and the response shall be writing or by cable, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to conform the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids in accordance with Clause 27.

Subject to above Para, no Bidder shall contact the Employer on any matter relating to his bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Employer, he should do so in writing.

Any effort by the Bidder to influence the Employer's bid evaluation, bid comparison or contract award decisions, may result in the rejection of his bid.

26. Examination of Bids and Determination of Responsiveness

- 26.1 Prior to detailed evaluation of Bids, the Employer will determine whether each Bid (a) meets the eligibility criteria defined in Clause 4 (b) has been properly signed by an authorized signatory (accredited representative) holding power of Attorney in his favor. The Power of Attorney shall inter alia include a provision to bind the Bidder to settlement of disputes clause; (c) is accompanied by the required Bid security and; (d) is responsive to the requirements of the Bidding documents.
- 26.2 A substantially responsive Technical and Financial Bid is one which conforms to all the terms, conditions and specification of the Bidding documents, without material deviation or reservation. A material deviation or reservation is one (a) which effects in any substantial way the scope, quality or performance of the Works; (b) which limits in any substantial way, the Employer's rights or the Bidder's obligations under the contract; or (c) whose rectification would affect unfairly the competitive position of other Bidders presenting responsive Bids.
- 26.3 If a Technical Bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-confirming deviation or reservation.

27 Correction of Errors

27.1 Bids determined to be responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows.
(a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern;

(b) Where there is discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

27.2 The amount stated in the Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, with the concurrence of the Bidder, shall be considered as binding upon the bidder. If the Bidder does not accept the corrected amount the Bid will be rejected, and the Bid security may be forfeited in accordance with sub-Clause.16. F. (b).

28 NIL.

29 Evaluation and Comparison of Bids

29.1 The Employer will evaluate and compare only the Bids determined to be responsive in accordance with Clause 26.

29.2 In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:

(a) Making any correction for errors pursuant to Clause 27;

(b) Making appropriate adjustments to reflect discounts or other price modification offered in accordance with Sub Clause 22.5

29.3 The estimated effect of the price adjustment conditions under Clause 47 of the conditions of contract, during the period of implementation of the Contract, will not be taken into account in Bid evaluation.

29.4 If the Bid of the successful Bidder is seriously unbalanced in relation to the Nodal Officer or his nominee's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the implementation/construction methods and schedule proposed.

30 NIL.

F. AWARD OF CONTRACT

31 Award Criteria

31.1 The Employer will award the Contract to the Bidder whose Bid has been determined to be responsive to the Bidding documents and who has offered the lowest evaluated Bid Price, provided that such Bidder has been determined to be (a) eligible in accordance with the provisions of Clause 3 and (b) qualified in accordance with the provisions of Clause 4. The second bidder (i.e. L2) shall be kept in reserve and may be invited to match the bid submitted by the (L 1) bidder in case such bidder withdraws or is not selected for any reason.

32 Employer's Right to accept any Bid and to reject any or all.

Notwithstanding clause 31, the Employer reserve the right to accept or reject any bid and to cancel the bidding process and reject all bids, at any time prior to the award of contract, without thereby incurring and liability to the affected bidder or bidders of the grounds for Employer's action.

33 Notification of Award and Signing of Agreement.

33.1 The Bidder whose Bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "letter of Acceptance") will state the sum that the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").

33.2 The notification of award will constitute the formation of the Contract subject to the furnishing of a performance security in accordance with the provisions of Clause 34.

33.3 The Agreement will incorporate all correspondence between the Employer and the successful bidder. It will be signed by the employer and sent to the successful Bidder within (28 days of award of work for global tender and Within 14 days for domestic tender) following the notification of award along with the Letter of Acceptance. Within (28 days for global tender and within 21 days for domestic tender) of receipt, the successful Bidder will furnish the performance security and sign the Agreement with the Employer.

33.4 Upon the furnishing by the successful Bidder of the Performance Security, the Employer will promptly notify the other Bidder that his Bid have been unsuccessful and release the Bid security (EMD).

34 Performance Security

Security Deposit shall consist of two parts; a) Performance Guarantee to be submitted at award of work, and b) Retention money to be recovered from Running Bills.

34.1 "Security Deposit" shall consist of Performance Guarantee to be submitted at award of work. Performance Guarantee should be 3% of contract price which should be submitted in form of Bank Guarantee or Demand Draft within (21 days in case of domestic bids and within 28 days in case of global bids) of receipt of letter of Acceptance intent which will be refunded immediately not later than 14 days from completion of contract / defect liability period.

34.2 Failure of the successful Bidder to comply with the requirements of Sub-Clause 34.1 shall constitute sufficient grounds for cancellation of the award of work and forfeiture of the Bid security.

34.3 The documentary evidence (copy of paid challan in government treasury) of the welfare cess @1% of the work done or as mandated by security authority from time to time , paid on final bill shall be submitted before releasing the performance guarantee if applicable

35 Advance Payment

35.1 The Employer will provide an Advance payment on the Contract Price as stipulated in the Conditions of Contract, subject to maximum amount, as

stated in the Contract Data.

36 Conciliator

The employer proposes that CIDC – SIAC Arbitration Centre be appointed as Conciliator under the contract as provided in sub-clause 24.4 of condition of contract. If the bidder disagrees with this proposal, the bidder should so state in bid.

37 Corrupt or Fraudulent Practices

37.1 The Employer requires that Bidders/Suppliers/Contractors under this contract, observe the highest standard of ethics during the procurement and execution of this contract. In pursuance of this policy, the Employer:

(a) defines, for the purpose of these provisions, the terms set forth below as follows:

(i) “Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and

(ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Employer, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Employer of the benefits of free and open competition.

(b) Will reject a proposal for award of work, if he determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

(c) Will declare a Bidder ineligible, either indefinitely for a stated period of time, to be awarded a contract/contracts, if he at any time determines that the Bidder has engaged in corrupt or fraudulent practices in competing for or in executing, the contract.

37.2 Furthermore, Bidders shall be aware of the provision stated in sub-clause 59.2 of the conditions of Contract.

17. The contractor has to make his own arrangement to use the potable water for construction purpose.
18. All the works comprised in contract until handed over to the Engineer-In-Charge shall stand at the risk of contractor, who shall be responsible to make good at his own cost all losses and damages caused due to fire weather or any other reasons and causes etc. At the time of completion of work, all the works in good condition and order shall be handed over.
19. The notes and data furnished in DEENDAYAL PORT AUTHORITY schedule of rates in force will be considered for measurement purpose, in case of various materials, as regards to lead, weight of materials and allowances for voids covering capacity etc. for materials.
20. All the materials required for any work shall have to be got approved from

Engineer-In-Charge before putting them into use or stacking at the site of work.

21. The Contractor has to arrange electrical connection, if required, by him at his own cost. He shall be provided with the electrical connection as per the rules and regulations of DEENDAYAL PORT AUTHORITY, if spare power is available.
22. The provision in special conditions and specifications which forms a part of contract shall have precedence over those specified in general conditions and contract in case of diversity, if any.
23. Tenders containing conditions for lowering or raising the quoted rates shall summarily be rejected.
24. The stamp paper of requisite value shall be furnished by the contractor as per the Section - I of Instruction to Bidders (ITB), failing which he will not be permitted to start the work.
25. During execution of work the contractor shall employ only such persons, who are careful, skilled and experienced in their service trades. The Engineer-In-Charge shall be at liberty to object and ask the contractor to remove, from the work any person employed by the contractor in execution of work if in the opinion of Engineer-In-Charge, misconduct or he is negligent, in the proper performance of his duties and such person shall not be again employed in the work without the permission of Engineer- In-Charge.
26. The contractor shall, in accordance with requirement of Engineer-In-Charge, afford all reasonable facilities to any other contractor employed by Deendayal Port Authority Board and their workmen for work not included in this contract, which the Board may enter into at any time. No dispute on any account shall be entertained.
27. All rules and regulations governing Deendayal Port Authority shall be applicable.
28. Any other taxes royalty or any escalation in prices etc. in material purchased or on material quarried or tax, if livable on the works contract in question should be borne by the firm/contractor alone and the Port Trust Board has nothing to do with the same. The rates quoted shall be firm and not subject to variation due to amendment of Laws by the Central / State Govt. or any local authority.
29. All the precautions regarding the safety of the workmen shall have to be taken by the Contractor at his own cost and the instructions of Engineer- in-charge in this respect shall have to be followed strictly.
30. The Engineer-In-Charge may delete any number of items included in this contract without assigning any reasons and no disputes/claims on this account shall be entertained.
31. Nothing extra shall be paid for change of quarry for any quarried material, against lead etc.
32. The tender should submit firm offer without any price variation and no escalation would be considered.
33. The tenders are not expected to make any post-tender modifications.

Hence the tenderers should not make any correspondence regarding tender after submission of the same on due date and time. No cognizance of any correspondence shall be taken and if any tenderer persists with the same, necessary letter shall be given on or before due date & time and the same shall be opened, if otherwise found in order.

34. The detailed drawings, layout plans and other particulars etc. can be seen in the office of the Executive Engineer (Road) during working hours only.
35. The Contractor has to clean floors, glass panes etc. at his own cost immediately after carrying out the work and to the entire satisfaction of Engineer-In-Charge. If any damage is found due to fault of Contractor or his labour during the work inside the building, the cost of damage will be recovered from the Contractor.
36. The Contractor has to dump the excavated stuff at least 1.50 meter away from the edges of trenches or as directed by Engineer-In-Charge.
37. M.S. grills, gates etc. shall be scraped and cleaned before painting. No extra payments will be made for the same.
38. Synthetic enamel paint of approved Colour and shade shall be of Asian Paints, IEL Ltd., Berger paint, Nerolac or equivalent made, as approved by Engineer-In-Charge.
39. Plastic Emulsion Paint of approved Colour and shade shall be of Asian Paints, IEL Ltd., Berger paint, Nerolac or equivalent make, as approved by Engineer-In-Charge.
40. Exterior paint of approved Colour and shade shall be of "Sandtex Matt" of Snowcem India Ltd. or equivalent Make, as approved by Engineer-In-Charge.
41. The leakage, if any after the testing of joints of pipeline and fittings shall be made good by the contractor at his own cost. The contractor shall not refill the trenches before carrying out the testing of pipelines.
42. The rates for laying and fixing of the pipelines, valves and other specials etc. should include additional cuttings, threading of pipes etc., if required and no claim on this account will be entertained.
43. If any road is required to be cut for the work, that will be done by the Contractor at no extra cost and road should be restored to its original conditions at no extra cost.
44. W.C. seat, wash hand basin, urinals etc. shall be of Cera, Hindustan, Parryware, Hindware, Jaguar etc. or equivalent Make as directed by Engineer-In-Charge of first quality and with ISI Mark, if available of approved colour.
45. PVC TANK shall be of approved brand and weight as per relevant IS
46. Unless otherwise specified rates quoted shall be for the work up to height 17m from ground level and nothing extra shall be payable on this account.
47. The Kota stone required for flooring, skirting, platform, shall be of approved brand and selected from superior quality and shall have to be got approved from the Engineer In-Charge before stacking.
48. The teak wood to be used shall be of approved quality and shall be free

from knots, cracks etc.

49. The contractor shall have to make necessary and adequate pumping arrangements mechanically for dewatering the subsoil water at all stages of construction at no extra cost.
50. Flush doors shall be of approved make and confirming to relevant IS.
51. Ceramic tiles/Glazed tiles shall be of premium standard quality of Kajaria brand, Nitco brand, Somany brand or equivalent make, and strict conformance to the relevant standard formulated by BIS with ISI mark or as approved by Engineer-In-Charge.
52. Vitrified tiles shall be of premium standard quality of Euro, NITCO, Varmora, tiles, Kajaria or equivalent Make or as approved by Engineer-In-Charge.
53. Payment of MS grills shall be made on actual weight basis or theoretical calculation of sections, whichever is less.
54. Aluminium sliding windows operatable ventilators, louvered ventilators etc. are to be fabricated as per drawing and sections; Engineer-in-charge has liberty to make minor changes in design and sections. Such minor changes shall have to be carried out without any dispute or without any extra cost.
55. Aluminium sections are to be used of "JINDAL" make and weight of each section must confirm with JINDAL catalogue of Series 'B' (18 mm) Each section are to be got approved by Engineer-In-Charge before fixing and test certificate for the same shall be submitted. If JINDAL Section is not available then contractor has to use sections of any other approved Make having equivalent weight of JINDAL with approval of Engineer-In-Charge.
56. All fittings, glass, handles, locks used for aluminium windows and ventilators are to be got approved by Engineer-In-Charge before putting into use for work.
57. Payment of aluminium sections etc. shall be made on actual weightment / theoretical weight or which ever is less basis for which no claim shall be entertained.
58. The necessary arrangements are to be done to have the windows air tight to serve the A.C. purpose, without any extra cost.
59. The rates and data furnished in the DEENDAYAL PORT AUTHORITY Schedule of Rates Tables applicable to the relevant year in which the tender is accepted shall be considered for calculation purpose in case of various materials as regards :
 - Lead between two places.
 - Weight in calculations of loading and unloading charges.
 - CO-efficient for measurements.

60. All the tools/tackles and ladders for executing the work shall have to be arranged by the Contractor and arrangement for storing of such tools/tackles or any material shall have to be made by the contractor at his own cost.
61. The fan hooks shall be bent to required shape and fixed in position before casting RCC work wherever required at no extra cost.
62. The contractor shall inform to Engineer-in-charge before procuring of those items wherein Basic Rates of Items has been mentioned in BOQ (Schedule B) and only after the approval of Engineer-in-charge contractor shall procure these items and contractor shall also submit the invoice/bills of these items to Engineer in charge to ascertain the rates of Items.
63. The contractor shall arrange to supply samples of coarse aggregates and fine aggregate etc. to the port laboratory for mix design for concreting works. Mixing of cement concrete work shall be on weigh batching basis as per approved mix design. For better workability, contractor is free to use plasticizers / super plasticizer without any extra cost. Maximum water cement ratio shall be 0.45 and slump shall be as per the table below. The minimum cement content shall be as per IS 456-2000.
64. The cubes cast at site shall be brought to Port Laboratory, Kandla for testing and test result shall confirm to IS 456 (latest edition). Testing charges of the cubes for 28 days test only shall be borne by the contractor. If the result is not satisfactory, the concrete work will have to be dismantled and redone by the contractor at his own cost.
65. SECURED ADVANCE:
- a. Secured Advances on the security of materials brought to site and to be consumed within a period of 3 months may be made to the contractors for items which are to be used on work.
 - b. Secured advance shall be granted only for non-perishable / non-breakable items like steel, aluminium or steel frame works / doors / windows etc.
 - c. The Executive Engineer can sanction the secured advance upto an amount not exceeding 75% of the value of the materials as assessed by the Engineer-in-charge considering the bill invoice, or an amount not exceeding 75% of the material element cost in the tendered rate of the finished item of work, whichever is lower.
 - d. A formal agreement should be drawn up with the contractor under which Port Trust secures a lien on the materials and is safeguarded against losses due to the contractor postponing the execution of the work or due to shortage or misuse of the materials, and against the expense entailed for their proper watch and safe custody.
 - e. Payment of such advances should be made only on the certificate of an officer not below the rank of Assistant Engineer that :
 - f. The quantities of materials for which the advances are made have actually been brought to site and stacked in proper and safe custody and measured.
 - g. Full quantities of the materials, for which advance is to be made, are required by the contractor for use on items of work for which rates for finished work have been agreed upon.
 - h. The quality of materials is as per the specifications.

- i. Recovery of advances so made should not be postponed until the whole of the work entrusted to the contractor is completed. They should be made from his bills for work done as the materials are used. The necessary deductions being made whenever the items of work in which they are used are billed for.

66. The contractor shall arrange to supply samples of coarse aggregate and fine aggregate etc. to the Port Laboratory for mix design for concreting works. Mixing of cement concrete works shall be on weigh batching basis as per approved design. For better workability contractor is free to use Plasticizers/Super plasticizer without any extra cost. Maximum free water cement ratio shall be 0.45 for M 30 grade, slump shall be as per the table below. The minimum cement content shall be as per IS 456-2000.

SR.NO.	TYPE OF STRUCTURE	SLUMP REQUIRED
1	Footing foundation	50
2	Beams, lintel, plinth band etc.	50
3	Domes, Voults and Shell Roof.	80

67. The cubes casted at site shall be brought to Port Laboratory, Deendayal for testing by the contractor at his own cost and test results shall conform to IS 456 (latest edition). Testing charges of the cubes for 28 days test only shall be born by the contractor. If the result is not satisfactory the concrete work will have to be dismantled and redone by the contractor at his own cost.
68. The Engineer-In-Charge reserves the right to ask the contractor to cast additional c.c. cubes at the different stages of works for testing, if required at 3/7 days period. No separate payment shall be made to the contractor on account of the cost of the labour and materials required for casting of the cubes required for 3/7 days testing. The testing charges for these cubes shall be borne by Department.
69. The concrete used for RCC works shall be made out of the graded machine crushed metal, mechanical appliances such as mixers, weigh batcher and vibrators shall be used for mixing and consolidation of the concrete. The crushed stone metal, Stone boulders, stone metal etc shall be of approved quality and from approved quarries.
70. For RCC roof slab, balconies and chajjas and any projection of slab the rate quoted shall be deemed to have included provision of drip moulding as per design given by the Engineer-In-Charge.
71. Payment for reinforcement will be made on the basis of length measurements multiplied by the standard co-efficient as per IS Standards.
72. The bars for reinforced cement concrete works shall be cleaned of rust, dust, oil paint etc. to the entire satisfaction of Engineer-In-Charge at his own cost before putting into works.

73. The Engineer-In-Charge reserves the right to make necessary changes in the diameter of bars provided in the drawings and no claims what-so-ever on account of change in diameter of bars will be entertained.
74. The payment for reinforcement will be made only for the actual quantity incorporated in the work. Pins and chairs will not be considered as part of reinforcement and shall not be paid.
75. The sand is to be brought from approved quarry. The detailed RCC drawings of beams, slabs, columns, chajjas, staircase, balconies etc. shall be supplied to the Contractor during the execution of work from time to time as and when found necessary by the Engineer-In-Charge. No disputes/claims, what- so-ever regarding non-availability of drawings shall be entertained.
76. Concrete cover block with binding wire shall be used in all RCC works of standard size as directed by the Engineer-In-Charge, C.C. cover block should be well cured for at least seven days before use. No extra cement, labour, binding wire will be paid for casting of c.c. cover block. No stones or khapchi has to be used instead of cover blocks.
77. The stripping time of form work either steel or plywood shall be as per relevant Clause of IS 456 or its latest amendment or as per the direction of Engineer-In-Charge. No dispute/claims on this account shall be entertained. The formwork of steel or plywood shall be leak proof shall be strong enough to withstand the load of concrete etc.
78. The formwork shall be properly cleaned and repaired. Oil shall be applied and shall have to be got checked from Engineer's representative before re-use of the same.
79. Though the drawings to be supplied will be exhaustive, the decision of the Engineer-In-Charge regarding any change in the drawings shall be final and binding to contractor and no dispute / claim regarding extra payment shall be allowed on account of such changes.
80. The contractor has to provide sufficient barricades to site of work so that traffic plying nearby should not damage the recently concreted work. In case of any damage on account of above, the entire responsibility will remain with contractor and nothing extra will be paid on this account.
81. The stone metal 20 to 40 mm, 40 to 60mm, crush metal and sand shall be from approved quarries.
82. The mixing of concrete shall be done in a mixer of approved type, which will ensure a uniform distribution of material throughout the mass so that mix is uniform in colour and homogenous.
83. Batching of all aggregates shall be done as per IS -383. All batching material such as coarse aggregates, sand etc. shall be weighed in weigh batchers conforming to I.S.2722 as per approved mix design..
84. The grading of sand shall be as per IS-2386 (Part-II) for concrete works, as per IS-2116-1980 for masonry works and as per IS-1542-1977 for plastering works.
85. The strength of concrete shall be determined by compressive strength test.

For this purpose during the progress of the work cube samples shall be cast for testing at 7 days and 28 days.

86. Water used for mixing and curing shall be clear and free from injurious amount of oil, acids, alkalies, salts sugar, organic materials or other substances that may be deleterious for concrete and steel.
87. Un-purified potable water is generally considered suitable for mixing and curing, mixing and curing with sea water shall not be permitted at any cost.
88. Compressive Strength of bricks for masonry work shall not be less than 40 Kg/cm² and Compressive Strength of stones for masonry work shall not be less than 40 Kg/cm².
89. The bricks shall be of NR or NK brand of Ahmedabad.
90. Bricks shall be soaked in water before put into use for a period for the water to just penetrate the whole depth of the bricks.
91. The cement concrete solid blocks, machine made required for the work, shall be got tested from the Port Laboratory, as directed. The contractor shall make available the number of blocks so required for testing of solid blocks and the strength shall not be less than 40kg/cm².
92. M.S. grills, gates etc. shall be scraped and cleaned before painting. No extra payments will be made for the same.
93. Flush doors shall be of approved make and confirming to relevant IS.
94. The brass fittings / fixtures shall be used of approved make and weight confirming to relevant ISI.
95. The Tower bolts shall be of Alto or equivalent Make or as approved by Engineer-In-Charge.
96. All the Bath fittings under of standard quality like Basin mixer (for wash basin), Wall mixer, Bib cock, overhead Shower, Sink cock, Angel stop cock, Towel rack, Glass shelf, Towel ring, Toilet paper holder, Soap Dish etc. of JAQUAR, MARC OR CRABWEB or equivalent make and size, shape and strict conformance to the relevant standard formulated with ISI mark or as approved by Engineer-In-Charge.
97. All cc flooring, work are to be finished with neeru (cement slurry) However, the bonafide use of cement used for the purpose shall be taken into consideration while calculating theoretical consumption of cement.
98. The contractor shall produce for approval the samples of fittings for doors, windows and cupboard before fixing.
99. While evaluating tender regard would be given to the National Defence Security considerations.
100. The prospective bidders have to submit a declaration of their not having been banned or de-listed by any government, semi government agency or PSU's, and that if such a declaration is not furnished, their bid is liable to be rejected as "Non responsive".
101. Force Majeure: - This will be Restricted to act of God only.

102. The quantity of any item may vary as per site condition and requirement and no claim for variation of quantity will be entertained.
103. The Deendayal Port Authority has introduced Electronic Clearing System. The tenderers are required to furnish necessary details of Bank Account etc. as per "Annexure - II" enclosed.
104. The bidder shall disclose any payments made or proposed to be made to any Intermediates (agent etc.) in connection with the bid.
105. The period of contract is 24 months from written work order.
106. Cement, Reinforcement steel, and structural steel shall be of standard Make and ISI Mark as per latest relevant IS.
107. Unless otherwise specified rates quoted shall be for the work upto height 16 meter from ground level and nothing extra shall be payable on this account.
108. For water proofing work to be carried out vide items. No. 34 the contractor have to removed old loose material / tar felt sheet if any and prepare the surface without claiming any extra cost for the same.
109. OHT items no. (40) connection shall be carried out from the nearby existing pipe line free of cost.
110. As the work is of Strengthening of Buildings which may sometimes require emergency work hence contractor should be ready to do work immediately with all labours and materials required for doing the work and he cannot refuse or delay the work.
111. Payment shall be made on monthly basis through RA Bills and payment will be made through RTGS.
112. **Specifications for Structural Retrofitting**

Reinforcement treatment

- Rusting of steel is a process that combines iron and oxygen to form iron oxide which gets accumulated on the surface in the form of rust.

Materials:

- Alkaline rust converter, Anticorrosive chemical.

Recommended products:

- Rust converter: Eget ARUP of SG Corporation/ Impermo 1002 of Pratham Enterprises/ Optychem PAR of Optimus Chemicals.
- Anticorrosive chemical: Eget ACORB of SG Corporation/ Impermo 1003 of Pratham Enterprises/ Optychem BOR of Optimus Chemicals.

Advantages:

- Alkaline rust converting primer converts the existing rust into corrosion resistant, insoluble layer by reacting with the oxygen present on the surface.
- Application of anticorrosive epoxy coating protects the bars from future corrosion.
- Anti-corrosive coating acts as a barrier between the reinforcement steel and corrosive chemical compounds in the environment.

Application procedure:

Application of rust converter

- Clean the exposed reinforcement bars with wire brush.
- Remove the looselyheld rust scales from the surface of reinforcement bars with wire brush.
- Apply alkaline rust converting primer to the reinforcement.
- After application of rust converter, the bars should be left to cure for at least 6 to 8 hours prior to any further treatment.
- Application of Anticorrosive coating:
- Application of rust converter shall be followed by application of two coats of anticorrosive epoxy coating.
- Mix the 2 components of anticorrosive material in 1:1 proportion and allow it to remain in the container for about 5 minutes.
- Apply using a brush in two coats with time interval of minimum 4 hours between the two coats.

Polymer-modified mortar

Recommended Products:

- PMM: ShaliFix FRM of STP Ltd./ Verdhaio PMM of SG Corporation/ Impermo 4005 of Pratham Enterprises/ OptyRE P25 of Optimus Chemicals.
- SBR Bonding agent: Catena SB of SG Corporation/ Impermo 2001 of Pratham Enterprises/ Optybond SOV of Optimus Chemicals.

Advantages:

- Polymer modified mortar when mixed with adequate amount of water, creates a pasty and stable compound which is used to repair ruptures or damages on concrete members.
- It gives a smooth profile to structural members and imparts additional strength.

Application procedure:

- Clean the surface to make it free from dirt, dust, etc. Then apply SBR based bonding agent.
- Prepare the polymer modified mix by adding 15 to 16% of water by weight into PMM.
- Apply using a trowel and bring the surface to the desired profile.

Micro-concrete Jacketing

- Micro concrete jacketing is a technique used to increase the strength of existing structural members.
- Micro concrete jacketing is a technique used to increase the strength of existing structural members.
- Micro concrete jacketing is a technique used to increase the strength of existing structural members
- .Materials: Ready to use Microconcrete, Epoxy bonding agent

Recommended products:

- Microroncrete: ShaliFix MC of STP Ltd./ Verdhaio MC of SG Corporation/ Impermo 4003 of Pratham Enterprises/ OptyRE M40 of Optimus Chemicals.
- Epoxy bonding agent: Catena EB of SG Corporation/ Impermo 2004 of Pratham Enterprises/ Optybond EOB of Optimus Chemicals

Advantages:

- Microconcrete is designed to repair damaged reinforced concrete structures.
- Used in the strengthening of vertical columns, beams and other structural elements.

Application procedure:

- Installing Shear keys:
- Install shear keys in the slab to enhance the bond between the existing concrete and the new layer of concrete or plaster.
- Drill holes in the concrete and fix 8mm diameter reinforcing bar at 350mm centre-to-centre or as per site requirement.
- The shear keys should be of 75mm length, having 40mm embedment length and 35mm projecting out of the concrete surface with 25mm horizontal bend.
- Prior to erecting shuttering for micro-concreting process, apply suitable epoxy-based bonding agent on the surface to bond old concrete with new concrete efficiently
- Carry out shuttering leaving appropriate distance around the structural member to pour micro concrete.
- Ensure that the shuttering is leak-proof.
- Mix and pour micro-concrete in the shuttering. Micro-concrete should be poured within 6 to 8 hours after the application of bonding agent.
- Cure the new concrete for 7 days

113. INTEGRITY PACT

113.1 The bidder has to execute Integrity Pact agreement with DEENDAYAL PORT AUTHORITY (As per Appendix) Shri S K Sarkar, IAS (Retd.) and Shri Saurabh Candra, IAS(Retd.) Has been nominated as Independent External Monitor for Integrity Pact. Whose address is as under :

(1) Shri S.K.Sarkar, IAS (ReRD.)
B-104, Nayantara Aptt.,
Plot No.08-B, Sec-07, Dwarka,
New Delhi – 110 075
Mobile No. 98111 49324
Email :- sksarkar1979@gmail.com

(2) Shri Saurabh Chandra, IAS (ReRD.)
A-9, Sector-30,
Noida (UP) 201301
Mobile No. 9871322133
Email: saurabh7678@yahoo.co.in

Scanned copy of pre- contract Integrity Agreement (as per appendix) is to be uploaded along

with the bid. Original hard copy of Pre contract Integrity Pact Agreement shall be submitted by post or hand immediately after closing date of online E-tender failing which tender shall be considered irrelevant.

114. INFORMATION AND INSTRUCTIONS FOR CONTRACTORS FOR e-TENDERING FORMING PART OF NIT AND TO BE POSTED ON WEBSITE.

- (i) Information and instructions for Contractors will form part of NIT and to be uploaded on website.
- (ii) The intending bidder must have class-III digital signature to submit the bid.
- (iii) The Bid Document as uploaded can be viewed and downloaded free of cost by anyone including intending bidder. But the bid can only be submitted after uploading the mandatory scanned documents such as Demand Draft/Pay order or Banker`s Cheque /Bank Guarantee of any Nationalized Bank only in electronic format online towards cost of bid document, and EMD in favour of DPA.
- (iv) Bidders may modify or withdraw their bids before last date and time of submission of bid as notified.
- (v) While submitting the modified bid, contractor can revise the rate of one or more item(s) any number of times (he need not re-enter rate of all the items) but before last time and date of submission of bid as notified.
- (vi) On opening date, the contractor can login and see the bid opening process. After opening of bids he will receive the competitor bid sheets.
- (vii) Contractor can upload documents in the form of JPG format and PDF format.
- (viii) It is mandatory to upload scanned copies of all the documents including GST registration / PAN as stipulated in the bid document. If such document is not uploaded his bid will become invalid and cost of bid document shall not be refunded.
- (ix) If the contractor is found ineligible after opening of bids, his bid shall become invalid and cost of bid document shall not be refunded.
- (x) If any discrepancy is noticed between the documents as uploaded at the time of submission of bid and hard copies as submitted physically by the contractor the bid shall become invalid and cost of bid document shall not be refunded.
- (xi) Certificate of Financial Turn Over: At the time of submission of bid contractor may upload Affidavit/ Certificate from CA mentioning Financial Turnover of last 3 (three) years or for the period as specified in the bid document and further details if required may be asked from the contractor after opening of technical bids. There is no need to upload entire voluminous balance sheet.
- (xii) Contractor must ensure to quote rate of each item. If any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO).
- (xiii) The Draft information and instructions to Contractors may be modified suitably by NIT approving authority as per requirement.

- (xiv) All the mandatory document required/prescribed for pre-qualification have to be enclosed by the bidder failing which his offer shall be rejected and treated as non-responsive. However, additional documents required if any for verification of the original documents shall be submitted by the bidder if required by DPT.

List of Documents to be scanned and uploaded within the period of bid submission:

- I. Bank Guarantee of any Nationalized Bank against EMD as per Board decision.
- II. Demand Draft/Pay order or Banker's Cheque towards cost of Bid Documents.
- III. Certificates of Work Experience of successfully completed works issued by the client.
- IV. Certificate of Financial Turnover from CA
- V. Any other Document as specified in the press notice
- VI. Affidavit as per provisions of NIT
- VII. Certificate of Registration for GST and acknowledgement of up to date filed return if required.

115. Construction of Site Offices and QA Labs

Site offices shall be constructed by the contractor to facilitate working at site and to provide necessary facilities for maintenance of site records, drawings, plans, approved samples, codes and specifications, copy of agreement and detailed estimate etc.

Construction of site office for client and facility of conference room etc to conduct review meetings and coordination meetings etc at site. Along with site office the QA Lab need to be established for immediate testing of materials and design mix of concrete, soil parameters etc. if required, as directed by the E-I-C.. The tests should be carried out in the presence of JE & AXEN/AEN and test checked by the E-I-C.

116. Materials arranged by the Contractor:

The contractor shall submit original bills for the cement, steel, asphalt etc. brought to site. In all contracts where issue of cement and steel is not stipulated, special conditions shall be incorporated as below:

117. Special Condition in Respect of Cement

- a) The Contractor shall procure 53 grade (conforming to IS 12269-1989) OPC cement, as required in the work, from reputed manufacturers of cement having a production capacity not less than one million tons or more per annum as approved by the Ministry of Industry, Government of India, and holding license to use ISI certification mark for their product.
- b) The supply of cement shall be taken in 50 kg bags bearing manufacture's name, date of manufacturing, batch number and ISI marking. The cement shall be brought at site in bulk supply of approximately 50 tons or as decided by the Engineer-in-charge. The cement godown of the capacity to store a minimum of 200 bags of cement shall be constructed by the contractor at site of work for which no extra payment shall be made. In case of big projects with mass consumption of cement, the same can be brought in Silos.
- c) Samples of cement arranged by the contractor shall be taken by the Engineer-in-charge and got tested in accordance with provisions of relevant

BIS codes. In case the test results indicate that the cement arranged by the contractor does not confirm to the relevant BIS codes, the same shall stand rejected, and it shall be removed from the site by the contractor at his own cost within a week's time of written order from the Engineer-in-charge to do so. The cement shall be used on the work only after satisfactory test results have been received. The contractor shall supply free of charge the cement required for testing including its transportation cost to testing laboratories. The cost of tests shall be borne by the contractor.

- d) Double lock provision shall be made to the door of the cement godown. The keys of one lock shall remain with the Engineer-in-charge or his authorized representative and the keys of the order lock shall remain with the contractor. The contractor shall be responsible for the watch and ward and safety of the cement godown. The contractor shall facilitate the inspection of the cement godown by the Engineer-in-charge at anytime.
- e) The actual issue and consumption of cement on work shall be regulated and proper accounts maintained as provided in the contract. The theoretical consumption of cement shall be worked out as per procedure prescribed in the contract and shall be governed by the conditions laid therein. In case the cement consumption is less than theoretical consumption including permissible variation, recovery at the rate so prescribed shall be made. In case of excess consumption, no adjustment need be made.
- f) The damaged cement shall be removed from the site immediately by the contractor on receipt of a notice in writing from the Engineer-in-charge. If he does not do so within 3 days of receipt of such notice, the Engineer-in-charge shall get it removed at the cost of contractor.
- g) The cement procured by the contractor should not have aged more than 6 weeks.
- h) Each Consignment shall be stored separately so that it can be readily identified and inspected. The arrangement of cement shall be such as to ensure the utilization of cement in the order of its arrival at the stores.
- i) Cement brought to site and cement remaining unused shall not be removed from site without the permission of Engineer-in-charge.

118. Special conditions for steel

- a) The contractor shall procure TMT bars of Fe415/ Fe500/ Fe550 grade as per tender conditions.
- b) The grade of the steel such as Fe415/Fe500/Fe 550 or other grade to be procured is to be specified as per BIS 1786-2008.

- e) For TMT bars procured either from primary producers or secondary producers, the specifications shall meet the provisions of IS 1786 : 2008 pertaining to Fe 415D or Fe 500D or Fe 550D grade of steel as specified in the tender.
- f) The contractor shall have to obtain and furnish test certificates to the Engineer-

in- charge in respect of all supplies of steel brought by him to the site of work.

- g) Samples shall also be taken and got tested by the Engineer-in-Charge as per the provisions in this regard in relevant BIS codes. In case the test results indicate that the steel arranged by the contractor does not conform to the specifications as defined under para (1) above, the same shall stand rejected, and it shall be removed from the site of work by the contractor at his cost within a week's time of written orders from the Engineer-in-Charge to do so.
- h) The steel reinforcement bars shall be stored by the contractor at site of work in such a way as to prevent their distortion and corrosion, and nothing extra shall be paid on this account. Bars of different sizes and lengths shall be stored separately to facilitate easy counting and checking
- i) For checking nominal mass, tensile strength, bend test, re-bend test etc. specimens of sufficient length shall be cut from each size of the bar at random, and at frequency not less than that specified below:

Size of bar	For consignment below 100MT	For consignment above 100MT
Under 10 mm dia bars	One sample for each 25 MT or part thereof	One sample for each 40 MT or part thereof
10mm to 16mm dia bars	One sample for each 35 MT or part thereof	One sample for each 45 MT or part thereof
Over 16mm dia bars	One sample for each 45 MT or part thereof	One sample for each 50 MT or part thereof

- j) The contractor shall supply free of charge the steel required for testing including its transportation to testing laboratories and the testing charges shall be borne by the contractor.
 - k) The actual issue and consumption of steel on work shall be regulated and proper accounts maintained. The theoretical consumption of steel shall be worked out as per procedure prescribed in the contract. In case the consumption is less than theoretical consumption including permissible variations (+3% for cutting into pieces +/- 2% for variation in weight) recovery at the rate so prescribed shall be made. In case of excess consumption no adjustment need to be made.
119. The bidder shall give an undertaking that they have not made any payment or illegal gratification to any person authority connected with bid process so as to influence the offence under the PC Act in connection with the bid.
120. The bidders shall disclose any payments made or proposed to be made to any intermediates (agents etc.) in connection with the bid.
121. The contract period is 24(Twenty-Four) months and the same can be extended for further period six months' maximum at the same rate terms & conditions with mutual consent.
122. Payment of M.S. structure steel shall be made as actual weight / Theoretical weight (ie. Multiplying for standard coefficient) whichever is less.

123. In the event of the contractor(s) committing a default or breach of any of the

provisions of the boards contractor's labour regulations and model rules for the protection of health and sanitary arrangements for the workers as amended from time to time or furnishing any information or submitting or filling any statement under the provisions of the above regulations and rules which is materially incorrect, he/they shall without prejudice to any other liability, pay to the board a sum not exceeding Rs.200/- for every default breach or furnishing, making, submitting filling such materially incorrect statements and in the event of the contractor (s) defaulting continuously in this respect, the penalty may be enhanced to Rs.200/- per each day of default subject to a maximum of 5 percent of the estimated cost of the work put to tender the decision of the engineer-in-charge shall be final and binding on the parties.

124. Deendayal Port shall employ third party quality monitoring to the work for the purpose of quality proof. The contractor shall extend all necessary assistance; service as may be required without any extra cost. Necessary tests shall be carried out if directed by the Quality monitoring authority employed by the Deendayal Port Authority. The observation, findings, mistakes etc. pointed out by the third party quality monitoring consultant and conveyed by Engineer in charge shall have to be complied and rectified to the entire satisfaction of Engineer in charge and the decision of engineer in charge with regard to compliance and ratification shall be final and binding to the contractor.

125. The contractor shall submit all bills on the printed form to be had on application at the office of the engineer-in-charge and the charges in the bills shall always be entered at the rates specified in the tender or in the case of any extra work ordered in purpose of these conditions and not mentioned or provided for in the tender at the rate hereinafter provided for such work.

126. Removal of rejected/sub-standard materials

- (a) Whenever any material brought by the contractor to the site of work is rejected, entry thereof should invariably be made in the Site Order Book under the signature of the Assistant Engineer, giving the approximate quantity of such materials.
- (b) As soon as the material is removed, a certificate to that effect shall be recorded by the JE/AE against the original entry, giving the date of removal and mode of removal, including the registration number of the truck and a copy of gate pass wherever applicable..

127. Deviation in quantities

Normally deviation means deviation in quantities of agreement items, i.e. where there is increase or decrease in the quantities of items of work specified in the agreement.

Rates for such deviated items shall be calculated strictly as per the provision of agreement clauses.

128. Deriving the Market rates :

As per provisions of variation clauses sometimes rates are to be determined based on market rates in certain conditions. In such cases the contractor within 14 days of receipt of order for execution of deviated quantities, extra or substituted items beyond permissible limits and before

the commencement of such work shall give notice, for revision of rates, supported by proper analysis, for such quantities. Engineer-in-Charge shall consider the analysis submitted by contractor and determine the rates on basis of market rates.

Further in case market rates are less than the agreement rates then in such a case Engineer-in-Charge should give notice to the contractor within one month of occurrence of the excess and should decide the rates based on market rates considering the reply of contractor.

The analysis of rates on market rates should be on similar lines as adopted in the justification of tender except that market rates of material/labour, hire charges of plant and machinery intended to be used prevailing at the time of such order or occurrence shall be adopted. Over and above the market rates so arrived 10% would be added for overheads and profit of the contractor.

129. Payment of Final Bill

Final bill of all works shall be paid as per DPT's citizens' charter. In case contractor fails to submit the final bill within 2 months of completion of work, the process of final bill should be initiated by the E-I-C suo-moto to thwart the efforts of contractor to delay the preparation of final bill which in all probability may be in the minus. Similarly E-I-C should not delay recoveries for any overpayments detected/ the recoveries being disputed by the contractor on the plea that contractor has gone to Arbitration.

The payment from 2nd bill to pre-final bill, shall be released, subject to the condition that documentary evidence (copy of paid challan in government treasury) of the welfare cess @1% of the work done or as mandated by security authority from time to time, paid of concerned authority is submitted for the previous bill"

INTEGRITY PACT IN DEENDAYAL PORT AUTHORITY

The Central Vigilance Commission (CVC) has been promoting integrity, transparency, equity and competitiveness in transactions by various organizations of the Government of India. Public procurement is an area of concern for the CVC, and many steps have been taken to put proper systems in place. In this context, Integrity Pact (IP), a tool conceptualized and promoted by Transparency International, an international NGO, aimed at preventing corruption in public contracting, has been found useful. It has been decided by Ministry of Shipping that all organizations under the Ministry will implement IP. IP should cover every tender / procurement above a specified threshold value. The threshold value of contracts / procurements / transactions incorporating IP would be such that it covers 90% by value of all contracts / procurements / transactions of the organization in the last 3 years. Presently the threshold is fixed as Rs. 3.00 crore. IP essentially envisages an agreement between prospective vendors / bidders, and DEENDAYAL PORT AUTHORITY, committing the persons / officials of both sides not to resort to any corrupt practice in any aspect of the contract at any stage. Only those vendors / bidders, who commit themselves to IP with KPT, would be considered competent to participate in the bid process. Any violation would entail disqualification of the bidders and exclusion from future business dealings. IP, in respect of a particular contract should cover all phases of the contract, from the stage of Notice Inviting Tender (NIT) / pre-bid stage, till the conclusion of the contract, i.e. final payment or the warranty / guarantee period. IP would be implemented through Independent External Monitor (IEM), who are eminent persons appointed by the organization, with approval of CVC. The term of appointment for an IEM would be 3 years. Name of the IEM will be mentioned in NIT. The IEM would review independently and objectively assess, as to whether and to what extent parties have complied with their obligations under the IP. IEM would have access to all contract documents, whenever required. The bidders may raise disputes / complaints if any, with the IEM. The IEM would examine complaints received by them and give their recommendations / views to the Chairman of Port Trust. Recommendations of IEM would be in the nature of advice and would not be legally binding. Their role is independent in nature and the advice once tendered would not be subject to review at the request of the organization. Shri S K Sarkar, IAS (Retd.) and Shri Saurabh Chandra, IAS(Retd.) Ex- Member has been appointed IEM by DPT. Draft condition to be incorporated in the Draft Tender Papers (1) Then bidder has to execute Integrity Pact agreement with DEENDAYAL PORT AUTHORITY (As per Appendix) Shri S K Sarkar, IAS (Retd.) and Shri Saurabh Chandra, IAS(Retd.) has been nominated as Independent External Monitor for Integrity Pact whose address is as under:

**INTEGRITY PACT
BETWEEN
DEENDAYAL PORT AUTHORITY (DPA) hereinafter referred to as "The
Principal" AND**

(Name of The bidders and consortium members).....hereinafter referred to as "The Bidder/Contractor

Preamble : The Principal intends to award, under laid down organizational procedures, contract/concession for Tender No. / /2022. The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidders. The Central Vigilance Commission (CVC) has been promoting Integrity, transparency, equity and competitiveness in Government / PSU transactions and as a part of Vigilance administration and superintendence, CVC has, recommended adoption of Integrity Pact and provided basic guidelines for its implementation in respect of major procurements in the Government Organizations in pursuance of the same, the Principal agrees to appoint an external independent Monitor who will monitor the execution of the contract for compliance with the principles mentioned above.

Section 1 - Commitments of the Principal

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles :-

(a) No employee of the Principal, personally or through family members, will in connection with the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.

(b) The Principal will, during the pre-contract stage, treat all BIDDERS alike, and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other BIDDERS.

(c) The Principal will exclude from the process all known prejudicial persons.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions. In such a case, while an enquiry is being conducted by the Principal, the proceedings under the contract would not be stalled.

Section 2 - Commitments of the Bidder / Contractor

(1) The Bidder/Contractor commits themselves to take all measures necessary to prevent corrupt practices, unfair means and illegal activities, during pre-contract as well as post-contract stages. He commits himself to observe the following principles during the contract execution.

a. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the execution of the contract or to any third person any material or immaterial benefit, which he/she is not legally entitled to, in order to obtain in exchange of advantage of any kind, whatsoever during the execution of the contract.

b. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids, or any other actions to restrict competitiveness, or to introduce cartelization in the bidding process.

c. The Bidder/Contractor will not commit any offence, under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition, or personal gain, or pass on to others, any information or document provided by the Principal, as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

d. The Bidder will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.

e. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries, in connection with the award of the contract.

f. The Bidder commits to refrain from giving any compliant directly or through any other manner without supporting it with full and verifiable facts.

g. The Bidder shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the Principal.

(2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section-3 Disqualification from or exclusion from future contracts

If the Bidder, before award of contract, has committed a transgression, through a violation of Section-2 or in any other form, such as to put his reliability as Bidder, into question, the principal is entitled to disqualify the Bidder, from the tender process, or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression, through a violation of Section-2, such as to put his reliability, or credibility into question, the Principal is entitled to disqualify the Bidder/Contractor from the tender process, terminate the contract if already awarded and also, to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion, will be determined by the severity of the transgression. The severity will be determined, by the circumstances of the case, in particular the number of transgressions, the position of the transgressions, within the company hierarchy of the Bidder and the amount of the damage. The execution will be imposed for a minimum of 6 months and maximum of 3 years.

Note : A transgression is considered to have occurred, if in the light of available evidence, no reasonable doubt is possible.

2. The Bidder accepts and undertakes to respect and uphold, the principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes, not to challenge or question such exclusion, on any ground, including the lack of any hearing before the decision, to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

3. If the Bidder/Contractor can prove that, he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.

Section-4 Compensation for Damages

1. If the Principal has disqualified the Bidder, from the tender process prior to the award, according to Section-3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit/Bid Security.

2. If the Principal has terminated the contract according to Section-3, or if the Principal is entitled to terminate the contract according to Section-3, the Principal shall be entitled to demand and recover from the Contractor, liquidated damages equivalent to 5% of the contract value, or the amount equivalent to Security Deposit/Performance Bank Guarantee, whichever is higher.

3. The Bidder agrees and undertakes to pay the said amounts, without protest or demur, subject only to condition that, if the Bidder/Contractor can prove and establish that the termination of the contract, after the contract award has caused no damage or less damage than the amount of the liquidated damages, the Bidder/Contractor shall compensate the principal, only to the extent of the damage in the amount proved.

Section-5 Previous transgression

1. The Bidder declares that, no previous transgression has occurred in the last 3 years, with any other company, in any country, or with any other Public Sector Enterprises in India, that could justify his exclusion from the award of the contract.

2. If the Bidder makes incorrect statement on this subject, it can be declared disqualified for the purpose of the contract and the same can be terminated for such reason.

Section-6 Equal treatment of all Bidders/Contractors/Subcontractors

1. The Bidder/Contractor undertakes to demand from all subcontractors, a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.

2. The Principal will enter into agreements with identical conditions as this one which all Bidders, Contractors and Subcontractors.

3. The Principal will disqualify from the tender process all Bidders, who do not sign this part or violates its provisions.

Section-7 Criminal charges against violating Bidders / Contractors / Sub -contractors

If the principal obtains knowledge of conduct of a Bidder/Contractor or Subcontractor, or of an employee, or a representative, or an associate of a Bidder/Contractor, or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion, in this regard, the Principal will inform the Vigilance office.

Section-8 External Independent Monitor

1. Pursuant to the need to implement and operate this Integrity Pact the Principal has appointed Shri S K Sarkar, IAS (Retd.) and Shri Saurabh Candra, IAS(Retd.) independent Monitor, for this Pact. The task of the Monitor, is to review independently and objectively, whether and to what extent, the parties comply with the obligations under this agreement.

2. The Monitor is not subject to instructions, by the representative of the parties to the Chairperson of the Board of the Principal.

3. The Bidder/Contractor accepts that, the monitor has the right to access, without restriction to all Project documentation of the Principal, including that provided by the Contractor. The Bidder/Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access, to the project documentation. The same is applicable to Subcontractors. The monitor is under contractual obligation, to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.

4. The Principal will provide to the Monitor, sufficient information about all meetings, among the parties related to the Project, provided such meetings could have an impact, on the contractual relations between the Principal and the Bidder/Contractor. The parties offer to the Monitor the option to participate in such meetings.

5. As soon as the Monitor notices a violation of this agreement, he will so inform the Management of the Principal and request the management to discontinue, or heal the violation. Or to take other relevant action. The Monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties, that they act in a specific manner, refrain from action or tolerate action.

6. The Monitor will submit a written report, to the Chairperson of the Board of the Principal, within 8 to 10 weeks, from the date of reference of intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.

7. If the Monitor has reported to the Chairperson of the Board, a substantiate suspension of an offence, under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence, or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

Section-9 Pact Duration

This Pact begins when both parties have signed it. It expires 12 months after the last payment under the contract Agreement is made.

If any claim is made/lodged during this time, the same shall be binding and continue be valid, despite the lapse of this Pact, as specified above, unless it is discharged/determined Chairperson of the Principal.

The Pact duration in respect of unsuccessful Bidders shall expire after 3 months of the award of the contract.

Section-10 Other Provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. Gandhidham, Gujarat.

2. Changes and supplements as well as termination notices, need to be made in writing, before they become effective and binding on the both parties.

3. If the Bidder / Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.

4. Should one or several provisions of this agreement, turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement, to their original intentions.
