- 18.1 On the due date and appointed time as specified in clause 20, the Employer will first open Technical bids of all online bids received including modifications made pursuant to clause 22 in presence of the bidders or their representative who choose to attend. In the event of the specified date for Bid opening being declared a holiday by the Employer, the bids will be opened at the appointed time and location on the next working day.
- 18.2 If all Bidders have submitted unconditional Bids together with requisite bid security, then all bidders will be so informed then and there. If any Bid contains any deviation from the Bids documents and/or if the same does not contain Bid security in the manner prescribed in the Bid documents, then that Bid will be rejected and the Bidder informed accordingly. All valid financial bids whose technical bids have been determined to be substantially responsive in accordance with Clause 19 hereof, shall be opened on the specified date from declaring the results of the Technical Bid, in presence of the bidders or their representatives who choose to attend.

19. Examination of Bids and Determination of Responsiveness

- 19.1 Prior to detailed evaluation of Bids, the Employer will determine whether each Bid (a) meets the eligibility criteria defined in Clause 4 has been properly signed by an authorized signatory (accredited representative) holding power of Attorney in his favor. The Power of Attorney shall inter alia include a provision to bind the Bidder to settlement of disputes clause; (c) is

accompanied by the required Bid security and; (d) is responsive to the requirements of the Bidding documents.

- 19.2 A substantially responsive Technical and Financial Bid is one which conforms to all the terms, conditions and specification of the Bidding documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality or performance of the works; (b) which limits in any substantial way, the Employer's rights or the Bidder's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other Bidders presenting responsive Bids.
- 19.3 If a Technical Bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

20. Evaluation and Comparison of Bids

The Employer will evaluate and compare only the bids determined to be responsive in accordance with Clause 19.

In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price.

The estimated effect of the price adjustment conditions/ escalation of the conditions of contract, during the period of implementation of the Contract, will not be taken into account in Bid evaluation.

If the Bid of the successful Bidder is seriously unbalanced in relation to the Nodal Officer or his nominee's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the implementation/construction methods and schedule proposed.

D. AWARD OF CONTRACT

21 Award Criteria

- 21.1 The Employer will award the Contract to the Bidder whose Bid has been determined to be responsive to the Bidding documents and who has offered the lowest evaluated Bid Price, provided that such Bidder has been determined to be (a) eligible in accordance with the provisions of Clause 3, and (b) qualified in accordance with the provisions of Clause 4. The second bidder (i.e.L2) shall be kept in reserve and may be invited to match the bid submitted by the (L1) bidder in case such bidder withdraws or is not selected for any reason.

22 Notification of Award and Signing of Agreement

- 22.1 The Bidder whose bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Pre-acceptance Letter") will state the sum that the Employer will pay to the Contractor in consideration of the execution, completion and maintenance of the works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "contract Price").
- 22.2 The notification of award will constitute the formation of the Contract subject only to the furnishing of a performance security in accordance with the provision of Clause 24.
- 22.3 The Agreement will incorporate all correspondence between the Employer and the successful bidder. It will be signed by the Successful Bidder and sent to the Employer within 14 days of award of work following the notification of award along with the Pre-Acceptance Letter. Within 21 days of receipt, the successful Bidder will furnish the performance security and sign the Agreement with the Employer.

Upon the furnishing by the successful Bidder of the Performance Security, the Employer will promptly notify the other Bidders that their Bids have been unsuccessful and release their Bid security (EMD).

23. Corrupt or Fraudulent Practices

- 23.1 The Employer requires that Bidders/Suppliers/Contractors under this contract, observe the highest standard of ethics during the procurement and execution of this contract. In pursuance of this policy, the Employer:
- (a) Defines, for the purpose of these provisions, the terms set forth below as follows:
 - (i) "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Employer,

and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Employer of the benefits of free and open competition.

- (b) Will reject a proposal for award of work if he determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
- (c) Will declare a Bidder ineligible, either indefinitely for a stated period of time, to be awarded a contract/contracts if he at any time determines that the Bidder has engaged in corrupt or fraudulent practices in competing for or in executing, the contract.

24. Performance Security

Security deposit shall consist of two parts; a) Performance Guarantee to be submitted at award of work, and b) Retention money to be recovered from Running Bills.

Performance guarantee should be 10% of Contract price of which 5% of contract price should be submitted as Bank Guarantee, or online/digital transfer within (21 days in case of domestic bid and within 28 days in case of global bids) of receipt of letter of acceptance and balance 5% recovered as Retention Money from Running Bills. Recovery of 5% of Retention Money to commence from the first bill onwards @ 5% of bill value from each bill. Retention Money and balance SD will be refunded within 14 days from the date of payment of final bill.

Failure of the Successful Bidder to comply with the requirements as mentioned above shall constitute sufficient grounds for cancellation of the award of work and forfeiture of Bid Security i.e. EMD.

25. Clarifications of the Bidding Documents

- 25.1 A prospective bidder requiring any clarification of the bidding documents may notify the employer in writing or by electronic form and be confirmed by hard copy at the Employer's address indicated in the invitation to bid. The employer will respond to any request for clarification which he received earlier than days (Suggested 7 days) prior to the deadline for submission of bids. Copies of the Employer's response will be forwarded to all purchasers of the bidding documents, including a description of the enquiry but without identifying its source.

CONDITIONS OF CONTRACT (GENERAL)

SECTION 6

SPECIAL CONDITIONS & SPECIFICATIONS

Name of work : TWO YEARS CONTRACT FOR MAINTENANCE OF R.O. PLANTS INSIDE AND OUTSIDE CARGO JETTY AREA AT NEW KANDLA.

SPECIAL CONDITIONS AND SPECIFICATIONS OF WORKS

The following clauses shall not be applicable :

Section - 2 :

- Clause 4.1 (b), (c),(d),(f), and 4.2 (e), (f), (k), (l), 4.4, 4.5 ;

Section- 3:

Cl. No. 4(A)

Section - 4 :

- Pre-Qualification of Bidders – Table No.5, 6 & 7
- Contractor's Bid – We accept the appointment Biographical data are attached.

SPECIAL CONDITIONS

1. The provision in special conditions which form a part of the contract shall have precedence over those specified in Conditions of Contract in case of diversity, if any.
2. Pre-acceptance letter intimating the contractor about the proposed acceptance of tender will be issued by the Chief Engineer. The tender agreement in approved form bearing the stamp of required value shall be executed by the Chairman on behalf of the Board, having common seal of the Board. The final acceptance letter shall be issued by the Chief Engineer on non-judicial stamp paper of Rs.50/- which is to be borne by the contractor. In case, the contractor desires to have the duplicate copy of the acceptance letter, he shall have to pay an additional amount of Rs.20/- only.
3. The value of the stamps to be affixed on the agreement shall be of appropriate value prescribed for bond as per latest provision of law enforced on the date of execution of contract and the same shall be borne by the contractor. However, if the contractor furnishes G.P.Notes or approved guarantees in respect of part of security deposit, the stamp duty chargeable for the amount shall be as prescribed for agreements and payable in accordance with latest provision by law in force at the time of execution of the contract. All the cost of the stamp duty shall be borne by the contractor.
4. The stamp duty paper of requisite value shall be furnished by the contractor within 10 days from the date of issue of pre-acceptance letter, failing which he will not be permitted to start the work.
5. The tenderers are expected to have full knowledge of the site of work and local working conditions in the Port before submitting the tenders. The port is basically an operational area dealing mainly with stacking, loading and unloading of import/export cargo and movement of traffic in or out of the port. The Engineer-in-Charge , after issue of work order will give to the contractor possession of so much of the site as in the opinion of Engineer-in-Charge may be required to enable the contractor to commence and proceed with the construction of work and will from time to time as the work proceeds give to the contractor possession of such portion of the site as may in the opinion of Engineer-in-Charge be required to enable the contractor to proceed with construction works without interruption of the work in accordance with the requirement. However, all efforts will be made to handover entire clear site at the time of starting of work. No claims/disputes about idling of power machineries and hot mix plant etc. what-so-ever for handing over the site of work late for starting the work shall be entertained. The contractor while filling up their rates in the tender should consider the above aspects.

6. If the contractor suffers any delay the Engineer-in-Charge may grant at his discretion an extension of time for completion of work. However, no claims/disputes etc. arising out of extension of time so granted shall be entertained.
7. The work shall be done strictly in accordance with specification laid down in latest IRC standard, latest IS codes in practice for different building trades, in addition to the specifications given in Schedule "B" of the tender, approved plan and the instructions issued by the Engineer-in-charge from time to time.
8. The work shall be carried out in accordance with the best standards of work-man ship and to entire satisfaction of Engineer-in-Charge.
9. An site order book is to be maintained by the contractor at the site of work and orders and instruction written in the order book shall be deemed to have been legally issued to the contractor and the contractor shall sign each entry in the order book as a token of having seen the same. This site order book shall be property of the Board and shall be handed over to the Engineer-in-Charge of the work in good condition after the completion of the work or whenever required by the Engineer-in-Charge.
10. The contractor shall be required to execute the work in such a way so as not to cause any damage, hindrance or interference with port activities going on in the area or nearby. He should not deposit the materials at such places which may cause inconvenience to the public and the work going on in the nearby area.
11. The contractor shall have to make good all damages done by him to the nearby structures while executing the work and no extra payment shall be made to him on that account.
12. All the materials required to be used in the work shall have to be got approved from the Engineer-in-Charge before use, before stacking at the site of work.
13. For the purpose of measurements, the method prescribed in the 'Indian Standard' specifications shall be applicable in addition to those prescribed in Boards Schedule of Rates unless stated otherwise in contract. In case of any ambiguity the decision of the Engineer-in-charge shall be final.
14. The notes and data furnished in Deendayal Port Authority, Schedule of Rates in force will be considered for measurement purpose in the case of lead, weight, allowance for voids, coefficient of painting etc. of the materials.
15. All the labour acts; rules and regulations in force from time to time are to be followed by the contractor.
16. The contractor shall have to obtain necessary license from the Assistant Labour Commissioner (Central) Adipur in case he has to engage 10 or more workers on any day during the execution of work.
17. All the safety rules and health measures must be adopted by the contractor while working.
18. All the precautions regarding the safety of the work shall have to be taken and the instruction of Engineer-in-charge in this respect shall have to be followed strictly.
19. The Engineer-in-charge may delete any number of items included in his tender (contract) without assigning any reasons and without any financial liability.

20. All the tools, plants, scaffolding, ladder etc. and other machinery etc. required for the purpose of execution of work will have to be arranged by the contractor at his own cost, and storing of such tools, plants etc. will have to be made by him.
21. The contractor has to make his own arrangement for the storage of materials at site or work.
22. Unless otherwise specifically mentioned the rates quoted for all items include for all lead and lift and no extra claims shall be entertained on this account.
23. For execution of work, contractor has to construct temporary offices, store, labour room toilet etc. at his own cost. Nothing will be paid for these purpose and on completion of the work, before handing over the site contractor has to dismantle all these temporary structure erected by him. Completion certificate will be issued only after compliance of above aspect.
24. The tenderers are not expected to make any post-tender modifications. Hence the tenderers should not make any correspondence regarding the tender after submission of the same on due date and time. No cognizance of any correspondence shall be taken and if any tenderer persists with the same, necessary action will be initiated against him. All the tenders received on or before the due date and time shall be opened if otherwise found in order.
25. **The tender documents submitted by the contractor and correspondence exchanged between him and Deendayal Port Authority prior to the acceptance of tender and thereafter shall form part of an agreement even though formal agreement duly signed is not executed.**
26. FORCE MAJURE: This will be restricted to natural calamities and acts of God only.
27. While evaluating tenders regards should be paid to National Defense and Security Condition.
