### TRADE NOTICE

#### **Sub:- Provision of Raincoats and Gumboots to Operational Manpower-reg.**

The operational workforce engaged inside the docks forms the backbone of port activities, and their tireless efforts have been central to the progress of Deendayal Port Authority. This Authority acknowledges their valuable contribution and reiterates the shared responsibility of all stakeholders to ensure their safety and well-being.

While Stevedores and Customs House Agents are already required to provide PPE such as helmets and safety shoes, it is further advised that raincoats and gumboots be arranged for their manpower, especially during periods of inclement weather. Even though the monsoon season is drawing to a close, the provision of such gear remains necessary for ensuring safe and uninterrupted cargo handling. All concerned are requested to comply in the larger interest of the workforce and port operations.
