### CIRCULAR

#### Sub: Strict Compliance of Ship-Shore Safety Checklist Protocol – Reg.

It is to inform that a Safety Meeting with all Stevedores was convened on 27.03.2026 under the Chairmanship of the Chairperson, Deendayal Port Authority, wherein various safety-related issues concerning cargo handling operations were deliberated.

During the meeting, the Chairperson, DPA, has directed that strict compliance of the Ship-Shore Safety Checklist Protocol shall be ensured by all Vessel Agents, Stevedores, PSUs and Liquid Tank Terminal Operators without any deviation.

In this regard, the following instructions are issued for strict compliance immediately:

1. The Ship-Shore Safety Checklist (SSCL) shall be completed in all respects prior to commencement of cargo operations.
2. The checklist shall be jointly verified and signed by the Vessel Agents, Stevedores, PSUs and Liquid Tank Terminal Operators, without fail.
3. No cargo handling operations shall be commenced unless the SSCL is duly completed and signed.
4. The completed checklist shall be maintained onboard and made available for inspection by Port Authorities / Inspectorate of Dock Safety as and when required.

Any deviation from the above instructions shall be viewed seriously, and necessary action shall be initiated as per applicable rules and safety regulations.
